ATTENDANCE

There is a direct correlation between academic performance and student attendance. Chronic tardiness, early checkouts from school, and truancy are not acceptable behaviors. Upon returning to school after being absent, students must bring a note from home explaining the absence. Please submit excuse notes within 5 days of an absence. Students must attend at least one half of the academic day to be counted as present. Students checking in before 12:30 will be considered present.

It is vitally important that parents make every effort to have their children attend school and avoid all absences that are not necessary. We appreciate your diligence to ensure your child is in school every day.

For further attendance information, please see the 2026-2027 CCSD STUDENT/PARENT HANDBOOK.
