

Morning Drop-off Procedures

Please review these procedures before the beginning of the school year, share them with anyone who may be driving your child to school, and keep them for easy reference.

- For student safety and supervision, students may be dropped off between **7:00 a.m. and 7:25 a.m.** The **Verde Way Gate** closes promptly at **7:25 a.m.**
- All students enter campus through the **Verde Way Gate**. To promote a smooth and secure arrival, staff members will assist students at the gate, allowing families to say goodbye from the drop-off area. Older siblings who do not attend Elizondo should also remain outside the campus.
- Elizondo staff members will be on duty beginning at **7:00 a.m.** to welcome students and provide assistance as needed.
- Upon arrival, students are encouraged to report directly to the **Multi-Purpose Room (MPR)** to enjoy breakfast before the school day begins.
- The safety of our students is our highest priority. We appreciate your partnership in following all traffic laws and the designated traffic flow to help ensure a safe and efficient arrival for everyone.
- Please help keep traffic moving safely by:
 - Keeping entrance and exit gates clear.
 - Using designated turnaround areas rather than making U-turns.
 - Driving at a safe speed and remaining alert for pedestrians.
 - Pulling into the designated drop-off area so students can safely exit the vehicle.
 - Using the marked crosswalks when crossing the street.
- If your child needs assistance exiting the vehicle, please park in the designated parking area and walk them to the Verde Way Gate.
- Please watch carefully for children walking and crossing the street, and help keep school entrances clear by parking only in designated parking spaces.
- Our crossing guards are here to help keep everyone safe. Thank you for following their directions at all times.
- The **Lone Mountain Road Bus Gate** is reserved exclusively for school buses and authorized personnel.
- Students arriving after **7:25 a.m.** should enter through the **front office**, where an adult (parent/guardian) will sign them in before they proceed to class.
- The morning drop-off procedures apply only during arrival. At dismissal, students are released by their classroom teachers at the Verde Way Gate following the school's dismissal procedures.
- Parking is available in the school parking lot and in areas designated by the City of North Las Vegas. Following posted parking and traffic regulations helps ensure the safety of our students and neighbors and helps avoid traffic citations.

Thank you for partnering with us to create a safe, welcoming, and efficient start to each school day. We appreciate your support and cooperation in helping every student arrive ready to learn.
