- True North Prep — 78
- Patriot Center — 34
- Total Enrollment (February) — 112

Average Daily Attendance (March)

- True North Prep — 85.77%
- Patriot Center — 100%
- Average — 89.57%

TRUE NORTH PREP CREED

- Be RESPECTFUL to all people and the school.
- Be RESPONSIBLE for yourself and others.
- Be HERE mentally and physically.
- Be APPROPRIATE in language, behavior, and dress.
- NAVIGATE your own path.

Check out our other news posts through ParentSquare.

Behavior, Positive Behavioral Interventions and Supports (PBIS), and Important Dates.

We are continuing to improve the way we operate our Navigation Point program by introducing learning opportunities for students who attend. Beginning the week of April 6, we will introduce Restorative Practices circles.

- Introduce circles as a respectful, voice-centered structure.
- Connect circles to restorative practices, RULER, and the Mood Meter.

- Use a responsive circle to notice progress, not just problems.
- Help students connect feelings, choices, and next steps.

If you are not familiar with restorative practices, please check out this link: [Restorative Practices: Explained](#) to be informed, or contact me for more information.

The secondary schools are continuing the book study *Permission to Feel* (2019), which establishes why emotions matter and introduces a common language and framework (RULER) so people and institutions (schools, families, workplaces) can build an emotionally intelligent culture (Marc Brackett).

Highlighted Individual

We would like to recognize **Bonnie Sewall** for her outstanding work as our school's **ISAT proctor**. Bonnie was diligent, organized, and persistent in helping students complete their ISAT assessments. Her efforts helped ensure that testing ran smoothly and that students received the support and follow-through needed to finish successfully.

Community School Update for SY 2025–2026 — True North Prep

True North Prep Community School's Grant Focus-This school year's focus:

- Academic Growth
 - Math tutor goal: increase school ISAT scores by 5%.
- Family/Student Engagement
 - Provide after-school clubs twice a week.

- Clubs will be offered to all students. If a student attends 70% of meetings, they may earn an elective credit toward graduation.
- Twice a month, we will host a make-and-take class where students prepare dinner to take home for their families. Parents will be invited and encouraged to attend.
- Provide engagement opportunities for families and students (e.g., local businesses demonstrating how to change a tire, do taxes, fill out an application, CPR, and babysitting classes).

Community School Coordinator

- Star Wars Theme Teacher Appreciation Week May 4, 2026
- Advisory Meeting - Talk about teacher appreciation week, prom and what we would like to see at the school next year.

Interventions, Assessments, and Data. Our High School Reading Lab and High School Math Lab meet three days a week during the Focus period. This schedule allows students more learning time with fewer interruptions, so the extra help they receive is consistent and effective. True North began ISAT testing on April 14.

Past Events

- April 16 — Wahooz

- April 23 — Wasmuth Center + Capitol field trip — Rowland & Jungen

Coming Up — Trips

- May 14 - Boise Museum Trip - Deluca & Green
