

**Emmett High School
Board Report
May 2026**

Graduation

I'm not sure about everyone else, but I thought graduation went really well this year. Surprisingly, I have not heard complaints from anyone. The great news is that we graduated 163 kids! The really depressing news is that we had 7 seniors who did not meet graduation requirements and were not a part of the ceremony. I want to thank all of the board members for your presence at graduation—it means a lot to me, our staff, our kids, and our community.

Scholarship Banquet

Our annual scholarship banquet was held on May 13th. Dinner was served to our guests and our students were honored for the academic accomplishments. In all, our students were awarded over 2 million dollars in scholarships. Congratulations to all!!

Signing Day

On May 4th, our athletes who plan to compete at the collegiate level signed their letters of intent. In total, 13 of our students signed and were honored in front of their parents, staff, and the student body.

Thank you for my time in the Emmett School District. I appreciate the work that all of you do and I wish you nothing but the best. I'll be a Huskie for life!!
