

Emmett Middle School
Board Report
June 2026

The EHS band and orchestra joined the EMS band for our final performance of the year. Brandi Kay did a fabulous job with these students this year. The event was well-attended, and the students had fun showcasing their talents.

We're wrapping up our year by celebrating student achievement. Mrs. Williams took 140 honor roll students to the movies to reward their hard work this year. Eighth grade students attended their annual Wahooz field trip. We also held our awards assembly honoring student achievement in the areas of academics, athletics, and citizenship. We're very proud of our students!
