Self-Purchased Bottoms

- Approved by the ISB Bookstore based on in-seam requirement of 5 inches for shorts and 15 inches Waist to Hem length for skorts
- Embroidered with the ISB logo
- (Cost: THB 100/item) Not altered after approval

For Pre-K to Kindergarten:

We are extending flexibility for our youngest learners (Pre-K to KG). Families may choose cotton-style black pants that are in line with ISB's guidelines on fabric, branding, and fit without having to be Chino or Golf-Style. Embroidery is not required for pants at this level. However, embroidery will still be required for self-purchased shorts and skorts.

Important Reminder: To ensure consistency and support dress code enforcement, all self-purchased black bottoms must be inspected and approved by ISB. ISB-Issued Bottoms must adhere to our guidelines and should not be altered. Students not in compliance may be referred to the Dean of students.
