

WHERE CAN I PARK MY CAR?

Because OIS is situated in a relatively dense part of Bekkestua, there are limited parking options immediately adjacent to the school. Fortunately, we are near many public transportation options, so we encourage the use of public transport. However, we recognise that there are times when driving to school is necessary.

Parking Options near Oslo International School

- ➔ **On-Site School Parking** (zone 2): Though limited, spaces are available behind the sports hall. *GPS Coordinates: 59.920058, 10.583765*
- ➔ **Staff Parking** (zone 3): This parking area behind school (opposite Coop Mega and Rema) is reserved for staff. *GPS Coordinates: 59.919176, 10.584227*
- ➔ **Coop Mega & Rema 1000** (zone 4): Families may use the parking facilities at these nearby grocery stores (charges apply). *Address: Gamle Ringeriksvei 43c & 45, Bekkestua*
- ➔ **Nadderudhallen & Nadderud Arena** (zone 4): Parking spaces are available across the playing field near Nadderud swimming pool (car number plates should be registered upon arrival at the pay-and-display machines). *Address: Haukeveien 12, Bekkestua*

Please note that off-campus traffic and parking arrangements are not managed by OIS and may be subject to change. As reconstruction work continues between the school and the arena, please follow all signage.

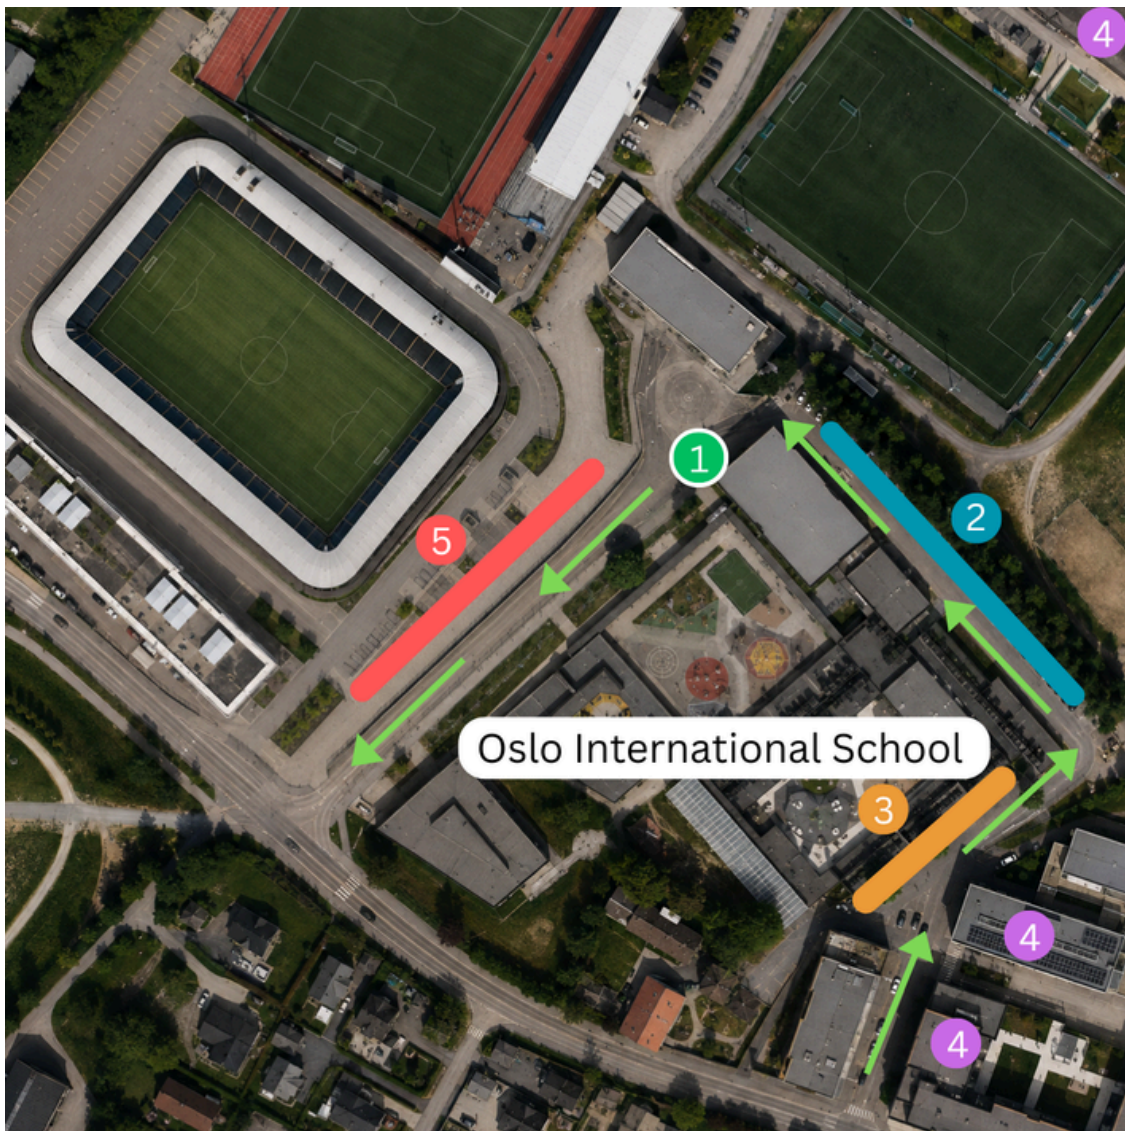

For a visual of the above parking locations, see map overleaf

PARKING & DROP-OFF ZONES

Please note that the school operates a one-way traffic system (as shown by the green arrows).

- Zone 1 (in green) indicates morning drop off point by main gate.
- Zone 2 (in blue) indicates free school parking area (please only use this area if you are in school).
- Zone 3 (in orange) indicates staff only parking.
- Zone 4 (in purple) indicates municipal parking areas.
- Zone 5 (in red) indicates where parking is NOT permitted.

Additional Considerations:

Consider public transportation when possible.

Plan to arrive with sufficient time for parking and respect no-parking zones.

Always drive carefully around school (students may be crossing at various unmarked points).
