Dear Parent/Guardian(s):

Recognizing the challenges faced by military recruiters, Congress passed legislation that requires high schools to provide to military recruiters, upon request, access to listings of secondary school students and information on those students. Both the No Child Left Behind Act of 2001 and the National Defense Authorization Act for fiscal year 2002 reflect these requirements. The information given to the recruiters, upon request, would be: names, addresses, and telephone number. If you do not want the Pine Grove Area School District to disclose this information from your child's educational record, you must notify the guidance office in writing by Tuesday, September 1, 2026.

If you have any questions, please feel free to contact the counseling office at (570) 345-2731 extension 216.

Sincerely,

Breanna Morgan
