K-6 Learning Compact

2026-2027

We believe that every child can achieve success. The key to achieving higher level of success is the development of a partnership among students, parents, and the teaching team in a school. If each member of the partnership works to meet the following responsibilities to the best of their ability, we will all be successful.

School **Responsibilities**

- Provide high-quality curriculum and instruction in a supportive and effective learning environment
- Foster a safe and respectful learning environment, which promotes student engagement and a positive school climate
- Provide learning experiences to meet a diversity of needs and learning styles to help each student achieve
- Assist parents so they can support learning and positive behavior
- Model and treat others with dignity and respect
- Support and educate students on resolving conflicts through positive and nonviolent means
- Provide opportunities for family involvement to support student learning
- Provide opportunities for classroom observations
- Regularly share information regarding students' progress through maintaining regular school-to-home communication through open lines of communication
- Ensure communication is provided in a language the family can understand
