

Welcome to the SVSD Family!

Our PowerSchool student information system includes a Parent Portal where you can access your student's current information on file.

PowerSchool Parent Portal is an online tool accessible anywhere on the web that parents can log in to and see all of their child(ren) academic progress in one place. It lists student schedules, grades, assignments, attendance, and transportation for each school your child(ren) attend. If you have multiple SVSD students in your household, please be sure to add each of them to your parent account by using their access IDs provided to you by their school. If you had a student attend school in our district last year and you already created a PowerSchool Parent Portal login, any newly enrolled students in your household can be added to your existing account by using the access ID listed below. If you have forgotten your login, you can retrieve it on the login page by entering the email address you signed up with.

Parents of ***returning students*** also use the portal to annually update their child's information. This is important for our communication with parents regarding any health or wellness issues and emergencies with your student. Parents of newly enrolled students do not need to update their information unless there has been a change.

Once you have created your account, you can access the parent portal either from a laptop/desktop computer, or from the PowerSchool Mobile App available for Apple and Android devices. The district code is **CSBS**.

The website location is: <https://powerschool.svpantthers.org/public>

Access information for _____

Access ID: _____

Access Password: _____

Instructions for logging into the PowerSchool Parent Portal

New User Account:

- Open your Web browser to the PowerSchool Parent Portal URL at <http://powerschool.svpanthers.org/public> and click the Parent Portal Login link under Parents.
- Click CREATE ACCOUNT tab on the login page.
- Enter your first name, last name, email address and your desired username (it must be unique and cannot contain special characters such as *&@).
- Enter your desired password (must be at least 8 characters long). Re-enter the password.
- Enter student first and last name.
- Enter the Parent Access ID and Parent Access Password from page 1.
- Enter your relationship (example: Mother).
- Additional children may be entered on the next lines. Enter each student's name and unique Parent Access ID and Parent Access Password.
- When all the information is completed click ENTER.
- If successful, you will be directed to the login screen. If you receive an error message you must correct the error(s) and re-enter the parent passwords for all students listed. Then press ENTER again.

Once you log into the PowerSchool website, you may sign up for alerts to be emailed directly to you. These alerts will be triggered by attendance/grades based upon the selections you make using the Email Notification link. You may change your alert status at any time. You may also change your email address or password by clicking on Account Settings. If you need assistance or have questions, please contact your student's school at (610) 838-7001 or e-mail helpdesk@svpanthers.org.

Returning User (password resets):

***YOU MUST USE THE BROWSER VERSION OF POWERSCHOOL IF YOU EVER HAVE TO RESET YOUR PASSWORD (THE MOBILE APP WILL NOT ALLOW PASSWORD CHANGES).**

If you are able to log into the website, but not the app, this may be due to a capitalization error. The website is not case sensitive in the username field, but the app is.

To reset passwords from the PowerSchool Parent Portal URL at <http://powerschool.svpanthers.org/public>

- Click the link Forgot Username or Password.
- Enter the username and email address for your account, then click Enter.
- You should receive the email as an email from your school. If you aren't seeing the email, check your Junk or Spam folder.
- Click on the password reset link in the email you receive.
- Enter a new password (don't recycle your old passwords, the system won't accept it).
- Log in to the website to verify the password has been successfully reset and is working.
- Log in to the PS app to synchronize your new portal credentials.

Thank you for using the PowerSchool Parent Portal!
