

What to Use When

A Guide for Granville Schools Families

Granville Schools uses a variety of programs and apps for families to stay engaged and support their student's education.

POWERSCHOOL:

Used district-wide for grades, schedules, new student enrollment, and required annual forms. Student login is different from family login. App available.

SCHOOLGY:

Used district-wide to help teachers manage classes, attendance, assignments, grades, and communication with students and parents. App available.

SCHOOL MESSENGER:

District-wide communication platform to send announcements, alerts, attendance notifications, and other important messages to students, parents, and staff through phone calls, text messages, emails, and mobile app notifications. App available.

PAYSCHOOLS CENTRAL:

Used district-wide for school fees, including lunch accounts. Link available on district website.

MY RIDE K-12:

Used district-wide for busing. App available.

SAFE ARRIVAL:

Used district-wide for families to report absences and for staff to contact families if an absence has not been reported. App available.

SECURE STUDENT PICKUP (SSP):

Used by GES and GIS for any student who walks or is a car rider as their transportation to/from school. App available.

FINAL FORMS:

Used by the GMS and GHS for athletic forms and registration. Link available on district website.
