Dear Parent/Guardian:

Once again, Lacey Township High School will sponsor the "Random Testing for Student Alcohol or Other Drug Use" program. This Board of Education Policy and Regulation enhances our ability to provide our students with a safe and drug free learning environment. In order for students to participate in interscholastic athletics and/or extracurricular activities or obtain a parking permit, students and their parents must sign and return the attached consent/policy acknowledgement form. Parents who choose to voluntarily enroll their children into the program may also sign and return the consent form.

Information regarding the Lacey Township School District Random Testing for Student Alcohol and Other Drug Use program can be found on our website. Please visit laceyschools.org, navigate to your parent portal and open the current year Back to School paperwork under the documents tab on the high school site. Acknowledgment of receipt of these documents will be required for this and a few additional forms.

We ask your assistance in completing the paperwork in a timely manner. The “Consent to Participate in Random Testing” form may be printed and must be signed by both the parent and student and returned to the high school. Paper copies of this letter can also be found in the High School Main Office. All forms may be handed in during homeroom or to the main office. Students participating in any interscholastic athletics and/or extracurricular activities must submit a signed consent form before being allowed to participate.

Thank you for your continued support and commitment in establishing a safe and healthy school environment so that our students can learn and reach their full potential.

If you have any questions or concerns about this new policy, please contact me at (609) 971-2020.

Sincerely,

Jason King
