WELCOME TO ROOM 20

Dear Incoming 6th Graders,

My name is Mrs. Alongi (it's pronounced Alon-jee!) and I will be your teacher this year. This will be my sixth year teaching 6th grade and I'm so excited that it will be with you!

As for a little about myself, Cape Cod is my favorite place to go on vacation and I go there every year. I love all things about the beach- swimming, boogie boarding, you name it! In my free time I like to do yoga, swim, read, and do crafts. I also love playing with my puppy, Zena! She is a German Shepherd and five months old!

We have a great year planned and I'm sure you are very excited about it! It's a big responsibility to be leaders of the school, but we know you will rise to the challenge and be great role models for the younger students in the building.

We will have 4 core subjects this year: ELA, math, science, and social studies. Here are some highlights of what you will learn in these subjects… In ELA, we will kick off the year by reading *Percy Jackson and The Olympians.* In math, you will be learning about many topics, from surface area all the way to algebra. In science, you will learn about weather, energy, geology, and the living environment. Finally, in social studies, we will learn about the Civil War era through WWII.

I'm so excited to meet all of you in August! Our first day of school is August 26th. I hope you all enjoy your summer, I can't wait to hear all about it!

The list of supplies you will need this year is on the next page! If you have any questions about the school year or if you just want to say hi, please feel free to email me at **alongis@newhtfd.org**.

See you soon!

Mrs. Alongi
