Welcome to 3rd grade!

Dear 3rd grader,

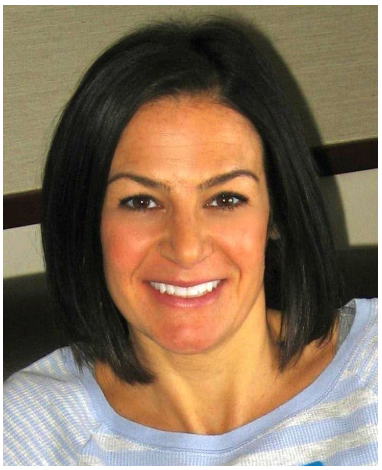

I hope that you had a wonderful summer and are ready to start an exciting new school year! My name is Mrs. Preece, and I will be your 3rd grade teacher. I can't wait to meet you and build a classroom community to take on all the learning adventures that await us this year!

I have taught a variety of grade levels such as 1st, 5th, and 6th, but 3rd grade is where I've spent most of my teaching career. I live in New Hartford and have two sons. Their names are Flynn and Bodie, and they are 18 and 16 years old.

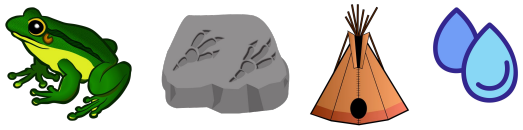

We had an amazing summer waterskiing, swimming, and fishing. I love being outdoors and active with them!

Being a 3rd grader at Antolini brings with it a lot of new experiences and firsts! One of the most exciting things is meeting new friends from Bakerville or New Hartford Elementary School. Other new experiences include shopping at the school store, attending band/chorus concerts, and playing on a new playground!

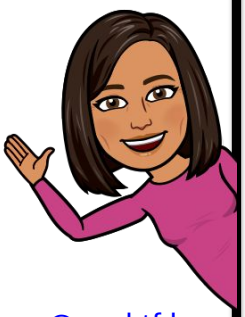

I am looking forward to diving into some fascinating topics with you this year such as fossils, Native Americans, frogs, and water. You will also learn to write in cursive and how to multiply!

I know that we will have a fantastic school year! Enjoy the rest of summer, and I will see you on the first day of school, August 26th.

Your teacher,
Mrs. Preece
