

A special message from your teacher

Dear Fourth Graders,

Welcome to Fourth Grade, a year full of learning, growing, and exciting adventures! I am so happy to be your teacher, and I can't wait to meet each and every one of you.

This year, we will explore amazing new things together, from diving into fantastic books and writing powerful stories, to discovering fascinating facts about science and history. We'll tackle challenging math problems, work together as a team, and celebrate our successes, big and small.

In our classroom, we believe in kindness, respect, and doing our best every day. We will build a strong classroom community where everyone feels safe, valued, and proud to be themselves. Mistakes are part of learning, and trying our best is what matters most.

There are so many fun surprises waiting for you this year, and I know we're going to have a blast. I hope you're as excited as I am to get started!

Enjoy the rest of your summer, and get ready for an incredible year ahead. I can't wait to see your smiling face on the first day of school!

With excitement,
Mr. Tancreti
Your Fourth Grade Teacher 🎉
