What Makes Salem Unique

Salem Elementary builds a connected school community through personalized instruction, student leadership and schoolwide traditions.

Personalized Academic Support

Every student receives 30 minutes of targeted reading and math intervention or enrichment each day. Instruction focuses on the skills each student needs to meet individual growth goals.

Salem also offers:

- Primary and intermediate English as a Second Language programs
- Two multiple-disability classrooms
- Two high-incidence resource classrooms
- A Chromebook for every student
- Art, music, physical education and health

SCHOOL LEADERSHIP:

Aimee Pace, Principal

Shark Schools

Each student joins a Shark School made up of 10 to 12 students from different grade levels. Groups meet monthly with a Salem staff member to build relationships, strengthen the school community and practice social-emotional skills.

Salem University

Salem University gives students another opportunity to explore interests, build skills and connect learning with new experiences.

Student Leadership and Activities

Students take part in activities such as:

- Shark Squad and peer mediation
- Safety patrol
- Band, strings and choir
- Computer club
- Kindergarten Buddies
- Compassion Challenge
- Peace Walk
- Bike to School Day

Family and Community Connections

Families participate in events such as:

- The International Festival,
- Shark Friendly,
- fall festival and annual ice cream social.

Community partners include Beechwold Christian Church, Worthington Presbyterian Church and the Salem Civic Association.
