

Los Alamitos Unified School District

Board Priority Goals & District Core Values

GOAL 1: Passionately pursue academic excellence for all students by providing exemplary preparation for college, career, and future success.

- Provide exemplary, data driven, and student-centered instruction to all students
- Provide timely, targeted intervention to ensure the success of all students
- Utilize highly qualified staff who engage in collaboration and the use of high-impact teaching
- Ensure every student:
 - Meets or exceeds grade-level and content standards
 - Engages in rigorous, relevant learning that develops critical thinking and creativity
 - Completes CSU/UC “a–g” college entrance requirements
 - Completes an Advanced Placement, Career Technical Education, or Dual Enrollment course
 - Develops essential STEAM skills through inquiry, design, and creative problem-solving

GOAL 2: Cultivate a thriving and safe school culture that fosters self-efficacy, perseverance and inclusivity.

- Ensure every student is connected to school through academics, athletics, activities, and the arts
- Provide safe and secure facilities with protocols in place to protect students and staff
- Provide systems of support that cultivate emotional and social well-being
- Nurture a respectful, inclusive, and equitable school culture

GOAL 3: Foster collaboration, partnerships, and shared responsibility among students, families, staff and the community to champion unlimited possibilities for students.

GOAL 4: Strategically manage and allocate financial resources to maximize students’ educational experiences.

GOAL 5: Provide high quality facilities to meet the educational and instructional needs of students and staff.

CORE VALUES

Care

We foster a culture of kindness where everyone is treated with dignity and respect and individuals seek to understand all points of view.

Innovation

We embrace creativity, adaptability, and forward thinking to drive continuous improvement in teaching, learning, and operations.

Equity

We meet the needs of all students through systems, structures, and opportunities that promote success and the experiences of every individual.

Honor

We believe in the value of every student’s unique educational path and are committed to respecting and honoring each journey of unlimited possibilities.
