Emergency Information

Inclement weather, power outages, and hazardous road conditions

The decision to close or delay schools is made as early as possible, usually around 5 am. Early dismissals will occur only if a delay in dismissal significantly increases hazards. In the event an early dismissal is required, it is important that you have a plan for your child. For real-time announcements and updates, go to sumnersd.org and follow us on social media.

Closure

- Schools closed for the day
- No preschool, childcare, ECEAP or Right At School
- Before-school activities canceled
- After-school activities canceled unless otherwise announced

2-Hour Late Start

- Schools operate 2 hours later than usual
- No AM/PM preschool or AM ECEAP
- Right At School childcare starts 2 hours later than usual
- No out-of-district transportation
- No transportation to Pierce County Skills Center
- Before-school activities canceled
- Breakfast served

2-Hour Late Start Limited Transportation

- All conditions under 2-Hour Late Start apply
- Some buses operate on alternate routes in the morning only (unless otherwise announced); find routes at sumnersd.org/limitedbus

Lockdowns, police activity, bus accidents, and threats

During an emergency, our first priority is to protect our students and staff. When we share information, our goal is to ensure that it's timely and accurate. At times, we're not at liberty to share information from law enforcement. We communicate what we can, when we can. Emergency situations, and the time and method of communication, vary widely. The family communication protocol is used only as a guide as situations may merit alternative communication actions.
Visit sumnersd.org/safety.

Emergency Protocol

SBLSD has a standard response protocol for emergency situations and parent/guardian re-unification. It is used for things such as weather events, fires, natural disasters, accidents and threats. Protocol actions include:

Evacuation | Modified Lockdown | Lockdown | Shelter-In-Place | Reunification

This districtwide protocol unites schools, first responders and community partners in a shared commitment to protect our students and staff.

Learn more at sumnersd.org/emergencyprotocol.

Family Communication

ParentSquare

ParentSquare is the district's parent communication tool for robocalls, emails and text messages.

Please register your account by going to parentsquare.com/signin. By registering your account, you will be able to participate in two-way communication with your child's school/teacher. Learn more at sumnersd.org/parentsquare.

Skyward Family Access

Our online student information system, Skyward Family Access, allows families to view class schedules, grades, attendance, fines/fees, lunch account balances and more.

Log into Family Access at sumnersd.org/familyaccess with your assigned login and password, available from your school.

Please keep your cell phone number and email address up to date in order to receive regular and emergency notifications. Scan for Skyward Family Access login page.

Inclement Weather Bus Routes

During inclement weather, there may be limited transportation, which means buses generally run on main roads rather than side streets or through neighborhoods.

Driving a school bus in some areas, usually in Bonney Lake, may not be possible during severe weather. If limited transportation is in effect, some students must catch their bus at alternate stops.
