

Professional Programs

When participating in a professional program, Park Hill students are placed in a work environment based on their career interests. Professional programs provide students with authentic learning experiences and meaningful professional connections helping them connect what is being taught in the classroom to what occurs in the workplace.

ENROLLMENT

589 students enrolled in a professional program during the 2025–2026 school year.

43% of the graduating seniors in 2026 (385 students) participated in a professional program during high school.

PROFESSIONAL PROGRAMS DISTRIBUTION

Of the students enrolled in a professional program during 2025–26, 65% were enrolled in Park Hill Professional Studies, 21% were enrolled at the Northland Career Center and 14% were enrolled at the Northland Center for Advanced Professional Studies.

Mock Interviews

382 juniors and seniors enrolled in professional programs participated in at least one mock interview during the 2025–2026 school year.

Industry Recognized Credentials

51% of 2026 seniors attending the Northland Career Center graduated with an Industry Recognized Credential.

Future Ready Asset Attainment

Students participating in a professional program earn a Park Hill Career Ready Asset.

EMPLOYMENT

Twenty-three students enrolled in the Park Hill Professional Studies Program in 2025–2026 were hired by their internship or in a related field.

99% of students enrolled in Park Hill Professional Studies in 2025–2026 said that “this course has improved my professional skills .”
