ST FRANCIS
CATHOLIC HIGH SCHOOL

ABOUT ST. FRANCIS

At St. Francis Catholic High School, we believe education is about more than preparing young women for college, it is about preparing them to excel in life.

For more than 87 years, St. Francis has empowered students to discover their God-given gifts, find their voice, and become women of purpose, courage, and compassion. Guided by our four pillars—Faith, Excellence, Leadership, and Service - we inspire every student to grow academically, spiritually, and personally while making a meaningful impact on the world around them.

Every day, we see remarkable transformations. Students conduct groundbreaking STEM research, perform on stage, compete at the highest levels in athletics, serve thousands in our community, and develop the confidence to lead with integrity. They graduate not only ready for college, but prepared to thrive as leaders, innovators, professionals, and women of faith.

This is what it means to Lead with Excellence.

Your partnership makes this possible. As a sponsor, you help provide exceptional academic opportunities, innovative programs, faith formation, service experiences, and financial assistance that ensures every young woman has the opportunity to reach her full potential.

WHY SPONSOR?

Sponsoring the 2026–27 Event Season at St. Francis Catholic High School is more than a marketing opportunity; it is an investment in an 87-year tradition of educating, empowering, and inspiring young women to lead with faith, excellence, leadership and service.

- For businesses, sponsorship provides meaningful visibility among thousands of engaged students, parents, alumnae, and community supporters while aligning your brand with one of the region's premier educational institutions. It is an opportunity to build goodwill, strengthen community connections, and demonstrate a commitment to the future of our region.

- For individuals and families, sponsorship is a powerful way to advance our mission and create lasting opportunities for students. Your support helps provide exceptional academic programs, enriching extracurricular experiences, leadership development, campus resources, and financial assistance that ensure every student can thrive.

Most importantly, every sponsorship directly impacts the lives of St. Francis students. By partnering with us, you become part of a community that is shaping the next generation of compassionate leaders, innovators, and changemakers. Your investment sends a clear message that you believe in the potential of young women and are committed to helping them achieve extraordinary things.
