

Dear 4th grade students,

I'm so happy to welcome you into our classroom! I would like to introduce myself. My name is Ms. Bennett, and I am thrilled to be your Fourth grade teacher this year! I know you might be feeling excited and maybe a little nervous, but just know we will be starting a fun-filled year together. Fourth grade is going to be wonderful!

Fourth grade is a busy year, filled with lots of fun learning and exploring. I am very excited about all that we have planned for the upcoming year, and I know this will be an awesome year! I look forward to getting to know you better over the school year.

If there is anything on the class supply list that you are having difficulty finding for the first day of school, have not a worry! We will have plenty of time to gather all of our supplies. Besides your school supplies, you may also bring with you a book that you are presently reading for the first day of school. Thank you so much!

In the upcoming weeks, I will be continuing to prepare our classroom and getting ready for our first week back. Enjoy the rest of your summer! I can't wait to meet you and begin our Fourth-grade adventure!

Sincerely,
Your Happy Teacher,
Ms. Bennett

Fourth Grade families, feel free to reach me at any time at bennetta@newhtfd.org
We will be hosting a meet and greet before school begins! Times for the meet and greet will be shared from the school as it approaches. It will be wonderful to meet you before the first day if you can make it. We will still have an open house once our school year starts to show your families our classroom. Looking forward to meeting you!
