What is the Hillsboro Kaiser Preferred Plan, And Why Would I Sign Up For It?

In an effort to bring some of the best health benefits for classified employees in Oregon to Hillsboro School District, HCU's Preferred Plans are based on a Group Health Reimbursement Arrangement (HRA) concept. With the Group HRA, the District and HCU reduce the Kaiser 2B in-network deductible to \$0 and \$1,500 OOP. For Kaiser 3, the in-network deductible will be \$500 with a \$2,500 OOP for an individual.

Please see the back of this sheet for a visual of how the HRA brings a better value to you!
