Please Note:

On the day designated as a FID Day:

- Student attendance will be taken for the day of snow/weather cancellation
- Students submit their hard copy immediately upon returning to school for attendance tracking.
- A list of those students who completed the assignment will be turned into the attendance office by end of day when in-person instruction has resumed.
 - Example: 12/10 is an identified FID Day. BCAVTS returns to in-person instruction on 12/11. FID assignment is due from all students on 12/11 for attendance purposes.

Earning credit for work:

- Giving credit for work submitted after the snow/weather cancellation should be consistent with BCAVTS policies concerning absences and assignment submission and should not be confused with tracking attendance.
- In the event of a possible snow/weather cancellation we will notify students through the Skylert system.
- Also check the BCAVTS website and your local news station for delay/closing information.

Please contact your instructor for any questions/clarifications concerning this assignment prior to the return to school.
