

Dear Creekside Families,

At Creekside, student safety is our highest priority. One of the most important tools we use to help maintain a safe and secure campus is our **student identification (ID) system**.

Every student will receive a **free Creekside ID Starter Kit**, which includes:

- One student ID badge
- One plastic ID pouch
- One Creekside lanyard

Why Student IDs Matter

Student IDs play an essential role in keeping our campus safe. They are used to:

- **Identify students** and help staff quickly recognize members of our school community.
- **Provide secure access** to designated campus doors, as student IDs function as electronic keys for authorized entry.
- **Support campus safety and security** by helping ensure that only authorized individuals are on campus.

Student Expectations

- Students **must have their student ID with them as soon as they arrive on campus.**
- IDs **must be worn around the neck on a lanyard** and visible throughout the school day.
- IDs should not be altered, shared, or loaned to another student.
- Students are not permitted to call home for their ID.
- Any student that does not report to the office for an ID Reprint before 7:30 will be issued an after-school detention and charged for an ID Reprint.

Replacement IDs and Lanyards
If a student arrives on campus without an ID, a replacement ID will be printed. The following replacement fees will apply:

- **First replacement ID:** $5
- **Second replacement ID:** $5
- **Third and all subsequent replacement IDs:** $10 each

Replacement Creekside lanyards are available for **$1 each**.

Payment Information
ID and lanyard replacement fees may be paid through **My Payments Plus**.

Please note that any outstanding ID or lanyard fines will remain on the student's account and **must be paid before graduation.**
