b. Community Schools Update – Ms. Limbrick
    1. Thank you Seniors!
    2. On 5/2, a survey went out to staff and parents to see what resources and programs are needed to better support our community. Example, Adelanto HS used the Auto Shop program to fix vehicles, paid for our of community schools funds. Hook JHS is building a Community Schools Room. So far, we have been able to use the funds to get a new washer and dryer. Looking at possibility for addition late buses to support more after school programs, such as tutoring. Possibility for Community School funds to be used to transport parents to and from Lakeview to allow for more participation in events and meetings. Also looking at getting more bleachers for the fields.
