Dear Ticonderoga Elementary School Families,

It is with great excitement and gratitude that I introduce myself as the new principal of Ticonderoga Elementary School. While this role is new, Ticonderoga is a community that already holds a special place in my heart. I am honored and humbled to continue serving the students, families, and staff of this district in this new capacity.

For the past 16 years, I have had the privilege of working in education as a teacher, serving students in both the Putnam and Ticonderoga Central School Districts. For the last six years, I have been fortunate to be a fourth-grade teacher right here at Ticonderoga Elementary. During that time, I have built meaningful relationships with our students, families and staff and have developed a deep appreciation for the dedication, pride and sense of community that makes Ticonderoga such a special place.

My family and I are proud to call this community home. I live locally with my husband and our sons. I have great loyalty and admiration for our Ticonderoga staff and students, and I am committed to continuing the excellent work that happens here every day.

My goal is to be a visible and approachable principal who listens, learns and works alongside students, staff and families. I look forward to visiting classrooms, attending school events, celebrating student successes, and continuing to build upon the many strengths of Ticonderoga Elementary.

Thank you for the trust and support you have shown me throughout my years as a teacher in this district. I am incredibly excited for this next chapter and look forward to working together to make this an amazing year for all of our students.

Go Sentinels!

Warmly,
