Dear Students and Parents:

Welcome to Baker County Schools for the 2026-2027 school year. A major concern for all of us is the growing problem with drugs and alcohol in our community. We need your help to keep drugs and alcohol out of our schools. Working together as a school team, this can be accomplished.

It is important for you to know that our district policy on drugs and alcohol will be strictly enforced. The unlawful possession, use, and distribution of illicit drugs and/or alcohol are not only wrong, but also harmful.

Any individual student involved in the possession, use or sale of alcohol or illicit drugs will face parent/guardian notification, law enforcement involvement, suspension, and/or expulsion from school.

If you have any questions or concerns, please contact my office or Alice Schmitges, ESE/Student Services Director at 259-7825.

We wish you an exciting and rewarding school year.

Sincerely,

Wyatt Milton
