Use of Software Consent

The Pocono Mountain School District is committed to the online safety and privacy of its students. There is a multitude of technology-based resources and applications available to the District's students. While allowing access to these resources, we also want to balance the protection of your child's privacy and personal information in compliance with the Children's Online Privacy Protection Rule (COPPA). The list of software approved for use by our teachers can be found on the PMSD Website at <https://www.pmsd.org/for-parents/technology>. Each site provides a privacy policy describing how the tool collects and utilizes student data. We encourage you to visit each resource and review its privacy policy. As the District evaluates resources that meet our privacy policies, we will continue to update the list. We encourage you to visit this page for the most updated information. By signing below, I confirm that I have read and agree to allow my child to be registered on and use the educational resources provided at the link above.

Acceptable Use of Internet, Computers, and Network Resources (Policy # 815)

Use of Artificial Intelligence in education (Policy # 815.1)

As the parent/guardian of a student of the school district, I have received, read, and understand the Acceptable Use of the Computers, Network, Internet, Electronic, Communications and Information Policy and the Use of Artificial Intelligence in Education Policy. These policies are located in the district's policy manual found on the PMSD Website at <https://policymain.org/pocono-mountain-school-district>. In addition, I reviewed this policy with my child and answered questions they asked. If either my child or I have further questions I will ask the principal. I agree to have my child abide by the requirements of the policy.

If you have any other comments, concerns, or questions, please reach out to your child's principal.
