

# HAMMARSKJOLD UPPER ELEMENTARY

## ACTIVITY BUS INFORMATION

STUDENT NAME: \_\_\_\_\_ GRADE: \_\_\_\_\_

I have reviewed the enclosed **Activity Bus Schedule** with my child and have discussed the stop that I wish my child to get off. I understand that the activity bus stops are different than the regular bus route and have explained this to my child. **Activity Buses run on Tuesdays ONLY.**

If my child needs to stay after school for any reason, (s)he will take activity bus # \_\_\_\_\_ and will get off the bus at \_\_\_\_\_.

(activity bus stop)

I, \_\_\_\_\_ agree to meet the standards of the PAWS for

(Student's Name)

Success program when I am riding the activity late bus # \_\_\_\_\_. Expectations for riding the activity bus are the same as behavioral rules in school. I understand that it is a privilege to ride this bus and that if I am not respectful and responsible, I can lose the privilege of riding the bus and face disciplinary action. By signing, I am agreeing to be respectful, responsible and safe, just like the expectations for my behavior in school.

**Please return this completed form, even if you are planning to pick up your child.**

Activity Buses may be used in cases of emergency, when you may be unable to pick up your child.

**Parent Name:** \_\_\_\_\_

**Parent Signature:** \_\_\_\_\_

Daytime Contact Phone Numbers

**Name:** \_\_\_\_\_ **Cell#** \_\_\_\_\_

**Work #** \_\_\_\_\_

**Name:** \_\_\_\_\_ **Cell#** \_\_\_\_\_

**Work #** \_\_\_\_\_

Please return this form immediately to your child's homeroom teacher. Thank you!!

## HAMMARSKJOLD SCHOOL ACTIVITY/LATE BUS SCHEDULE 26/27

| Late Bus 1                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Late Bus 2                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Late Bus 3                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
