

GLOBAL SCHOLARS PROGRAM

The Global Scholars Program offers Upper School students the opportunity to deepen their education by exploring international challenges and practical global stewardship.

WARDLAW + HARTRIDGE

Pioneering. Thinkers.

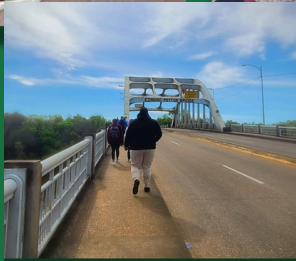

W+H GLOBAL SCHOLARS

Take action for social and global change

Engage with empathy by developing knowledge of the world with an open mind

Communicate ideas across differences with respect

Develop an understanding of the world through research and self-reflection

Cross-Cultural Experiences

GSP students engage in meaningful cross-cultural experience designed to broaden their global understanding through local projects, virtual interactions and travel.

Program Requirements

Enrollment

- Ninth-graders complete application in the spring by specified deadline
- Students must have at least 93% GPA to apply

Academic Requirements

- Digital Portfolio
- World Language Competency
- Specialized Coursework

Trips

- Experiences for cultural engagement in the U.S. and abroad

Speakers

- Experts in the field of study
- Foster discussions about global citizenship

Senior Capstone

- Global Scholars conduct original research on a globally significant issue, including collecting and analyzing their own data.
- Students write a formal research paper of publishable quality.
- Students conclude the program with a formal presentation of their findings.

Successful completion of the program earns an endorsement on The Wardlaw+Hartridge School diploma.

Community Engagement

Global Scholars make a positive impact through approved volunteer service in local and global communities. Each year, students complete service learning activities that foster leadership and community engagement.
