I hereby grant permission to Union County Public Schools ("UCPS") to photograph, videotape, audio record, and/or otherwise capture my child's name, image, likeness, voice, statements, and school-related work products (including artwork, written work, and academic or extracurricular achievements) for educational, informational, and promotional purposes related to UCPS programs, activities, and services. I authorize UCPS to use, reproduce, publish, display, distribute, and publicly communicate such materials in any lawful manner and through any media now known or later developed, including but not limited to: District and school websites and webpages; District and school social media platforms; newsletters, brochures, presentations, and other printed publications; internal communications and training materials; local, regional, or national media coverage relating to UCPS programs, activities, and events; and other district-sponsored informational or promotional materials.

I further authorize UCPS to permit representatives of legitimate news media organizations to photograph, videotape, audio record, and/or interview my child in connection with newsworthy events, activities, or programs involving UCPS or my child's school. I understand that UCPS does not control the subsequent publication, distribution, or use of materials by independent news organizations. I understand that student directory information may be released in accordance with applicable law and Board policy, and that UCPS will not intentionally disclose confidential education records except as permitted by law.

I acknowledge that neither I nor my child shall receive compensation, royalties, or other remuneration for the use of such photographs, recordings, interviews, statements, likenesses, or student work as authorized by this release.

This authorization shall remain in effect until revoked in writing by the parent/legal guardian or eligible student and received by the child's school.
