Our scheduled last day of school is Wednesday, May 19, 2027. A third snow day, if needed, will push the last day to Thursday, May 20, 2027 and then the Teacher Record Day would change to May 21, 2027.

District assigned days will consist of: District and/or site Professional development, collaboration, and work time. MPS is meeting and working with staff to design a schedule that meets the needs for all. These dates are "no school" days for students. These dates will be clarified within the next couple of months.

Snow Days will become regular school days in the event of inclement weather

TRANSPORTATION

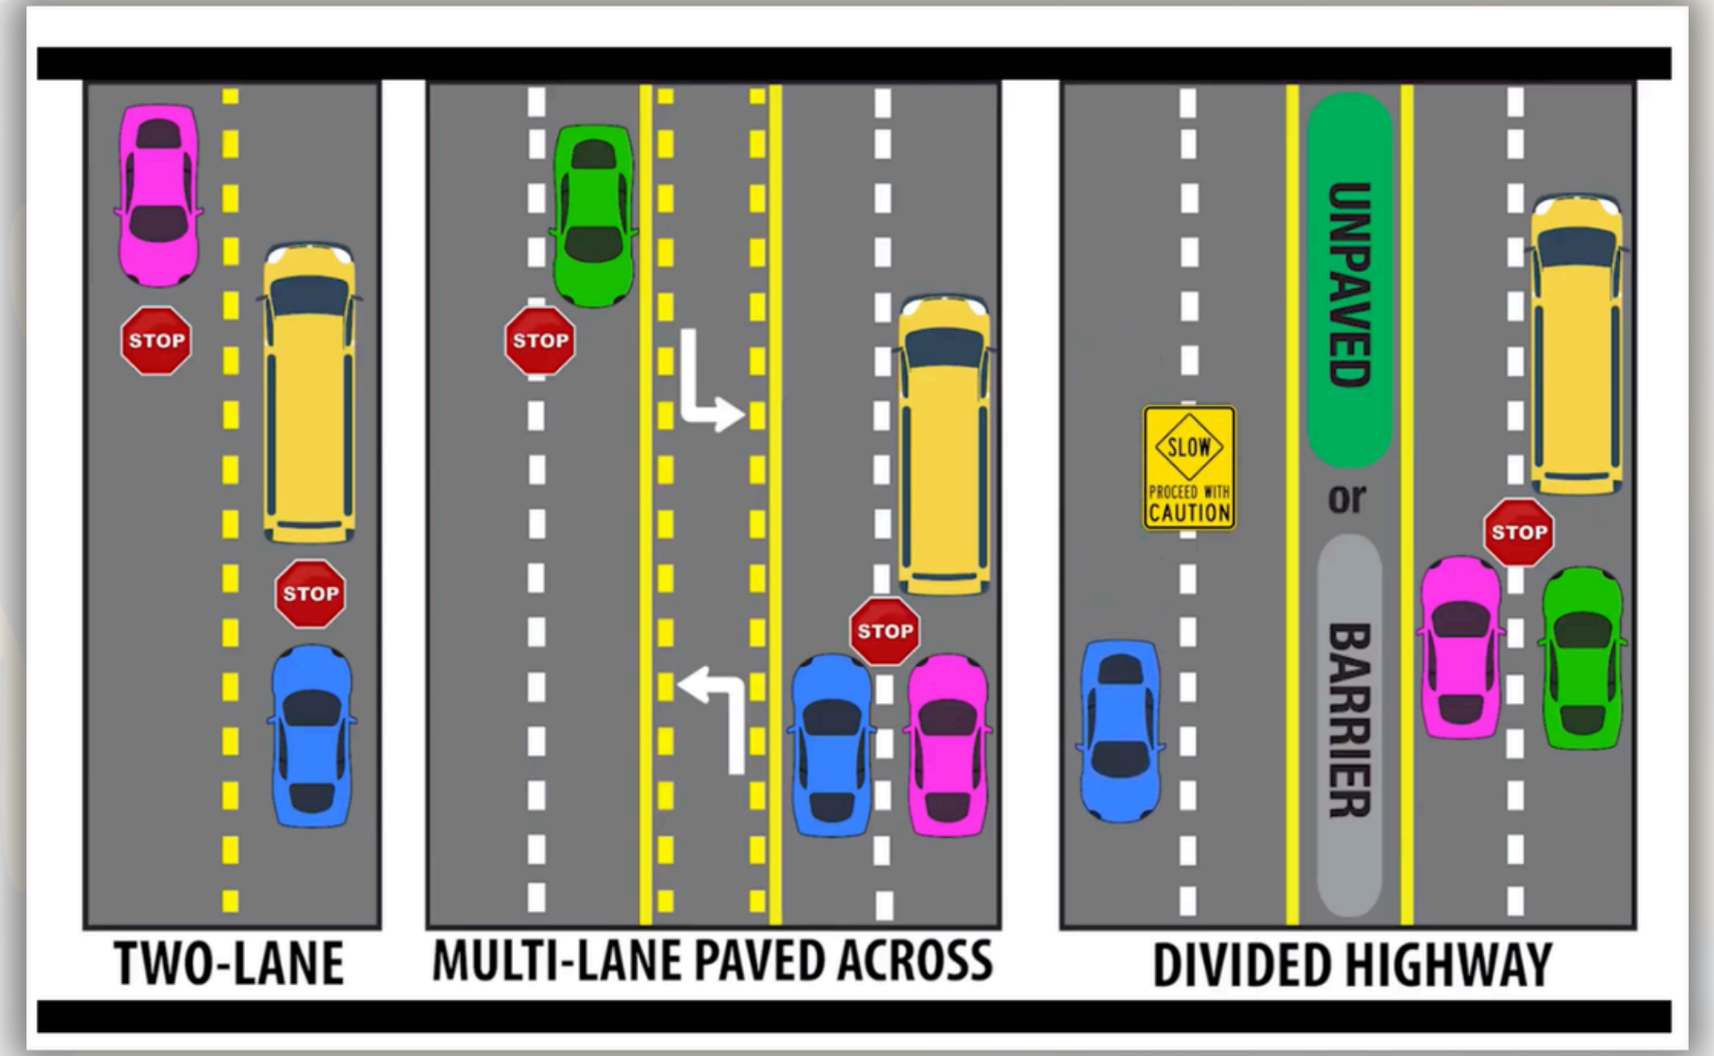

Route Information

- As we prepare to welcome students back to our school buildings, we continue to alter bus routes to make each route the quickest/most efficient possible.
- To access route information, simply go to elink.mustangps.org.
  - Be sure to uncheck the box next to "Authenticate using Network Credentials." Then enter the username of mustang, and the password is guest.
- There is a chance your bus pick up and drop off times will change during the first few weeks of school as we make adjustments. Updates happen every 24 hours, so it is a good idea to check your route schedule regularly.
- If your address is NOT populating in the finder, please call our district office for assistance at 405-376-2630.
  - NOTE: Data is updated August 1; data accessed prior to that date (June/July) could change.
- Transportation Updates—During the first few days of school, we will provide live updates on our **MPS Operations Facebook Page**. You can also call transportation for updates on buses.

We appreciate your patience with our team each year as our school district continues to grow and new neighborhoods are established.

SCHOOL BUS SAFETY

Please take a moment to review this infographic on Oklahoma bus laws. Drive safely!

SCHOOL BUS SAFETY

Back To School Tips

It's that time of year again, school is back in session.
We can all do our part to ensure that students get to and from school safely by remembering these safety tips:

- SLOW DOWN: Look for children waiting at the bus stop, walking, or riding their bicycles to school;
- **RED** flashing lights and the extended 'STOP' sign/arm mean traffic (in both directions of a two-lane roadway) is required to stop until the lights stop flashing and the extended 'STOP' sign/arm is withdrawn;
- YELLOW flashing lights indicate the bus is preparing to stop;
- Use caution when coming to a bus stop. Children could be running out to the bus;
- Follow all school zone speed limits;
- Look for crossing guards and students in crosswalks;
- Never pass a bus on the outside of a turn.

SCHOOL BUS SAFETY

Student Conduct

Riding a school bus is a privilege.

Student safety is our main priority; rules that are enforced at school also apply on the bus.

We understand the vital role of daily attendance in providing students with the skills and knowledge they need through engaging and challenging learning experiences.

CHILD FIND

The goal of Mustang Public Schools is to provide maximum opportunity for student growth and achievement. It is this commitment in every classroom at every level that makes us different. We want to focus on individual students and provide a world-class education and experience for every child and family. It may only take one call to make all the difference in a child's life.

If you have a child with disabilities or know a child with special needs, please **refer them to MPS**. Any child (age 3-21) who lives in the Mustang Public Schools attendance boundary and is not currently being served by a public or private school is eligible for the District's special needs services.

A little help can make a difference for a child with special needs. But before we can give them the love, encouragement and education they deserve, we have to find them.
You can help!

We are searching for children with the following disabilities:

- Autism
- Deaf-Blindness
- Deafness/Hearing Impairment
- Developmental Delay
- Intellectual Disability
- Multiple Disabilities
- Orthopedic Impairment
- Other Health Impairment
- Emotional Disturbance
- Speech/Language Impairment
- Traumatic Brain Injury
- Blindness-Visual Impairment
- Specific Learning Disabilities
