**Revenue is calculated by dividing the assessed valuation by 100, then multiplying by the proposed tax rate, and then multiplying by the anticipated collection rate percent.*

Additional revenue to be received from new construction (Section 67.110, RSMo.) $\$387,170 / 100 = \$3,871.70 \times \$2.75 = \$10,647.18 \times 94\% = \$10,008.34$

*** Article X Section 11 (Amendment 2)**

On November 2, 1998 Missouri voters approved a change to the Missouri Constitution Article X Section 11 (Amendment 2) allowing school boards to set an operating levy no higher than \$2.75 without a vote of the people. If the board of the school district has approved a rate of \$2.75 the State Auditor's Office will "certify" the rate for the current year.

Approved for publication by resolution of the Board of Education, in compliance with Section 67.110 RSMo., on the 28th day of July 2025.
