EVANSTON
TOWNSHIP HIGH SCHOOL

August 5, 2026

Dear Students and Families:

Welcome to the 2026-27 school year! Whether you are returning to ETHS or joining our school community for the first time, we are excited to welcome you and begin another year of learning, growth, and opportunity.

The start of this school year comes after an especially challenging summer for our district. I want to thank our students, families, and staff for your patience, flexibility, and partnership as we responded to the June cybersecurity incident and accelerated our transition to Infinite Campus, our new student information system.

As we begin the year, you'll see new systems, updated processes, and changes in how some information is accessed and shared. We know that the uncertainty of the past several months has been frustrating, and that change—even positive change—can be difficult. The launch of Infinite Campus marks an important step forward, bringing student schedules, attendance, grades, fees, and other school information together in one place. Thank you for your patience as we continue to improve our systems and support students and families throughout this transition.

Our **Back-to-School Guide** includes the latest information to help your family prepare for the first day of school. Because some resources will become available with the launch of Infinite Campus, we'll continue updating the guide as new information becomes available. We encourage you to check **eths202.org/BacktoSchool** regularly for the latest updates.

Looking ahead, our focus remains on what matters most: providing students with an outstanding educational experience, supporting their success at ETHS and beyond, and creating a school environment where every student feels welcomed, connected, and challenged to reach their potential.

Thank you for your continued partnership and for the trust you place in ETHS. We look forward to welcoming our students back and beginning a successful school year together. Go Kits!

Sincerely,
Dr. Quiana McNeal
Assistant Superintendent / Principal
