# Cloverland Gifted Learner schedule #1

*Welcome to the 2026-2027 Gifted Learner Program.! Students will have the opportunity to develop their executive function skills, creativity, and build friendships while moving forward in their higher level thinking development. Time management and organizational skills are essential to reaching our full potential. We invite all students to bring their: planners, GATE folder and pencil as they attend each GL class in order to become a fearless learner. Characteristics of a fearless learner:*

Know Yourself Be Creative Figure it out!
Be honest and accountable Try something new

Please contact me with any questions or concerns Bcombs@ojusd.org

## *WHO AM I?*

## *The science of psychology*

*Psychology is the scientific study of the mind and behavior, encompassing mental processes, thoughts, feelings and motivations. In this academy we will focus on personal exploration as we learn how to discover answers through higher level thinking activities and come to know ourselves better*

**3rd & 4th grade** **5th & 6th grade**

Thurs. Aug. 13…….8:15-9:00……9:00-9:50
