Dear Kindergarten Families,

My name is Mrs. Roberts and I'm very excited to be your child's teacher this year! I've been teaching for 19 years. This will be my 13th year at Harkness. I've taught kindergarten for a total of 7 years. I can't wait to meet you and your child to begin a fun-filled year together. I look forward to seeing you.

Our adventure begins on **Tuesday, August 11, 2026**…the first day of school! Breakfast starts at 8:30am. Kindergarteners will remain in the cafeteria until the bell rings. **School starts at 9:00am**. Parents can say goodbye to their child at the cafeteria as we head off to class.

We will focus on foundational reading skills and beginning mathematics this year and plan to have a lot of fun while we learn! **Dismissal is at 12:50 everyday at the black gate in the front of the school.**

I love family involvement and strongly encourage parents to sign up as volunteers for chaperoning field trips and helping out with classroom activities. If you would like to sign up as a volunteer, please inquire in the office for a volunteer packet. We can't do this without you!

I am excited to be a part of your child's learning experience and look forward to a successful year! **Join us on Thursday, August 6 at 4:00 for kinder orientation. We will meet in room 4.**

Sincerely,
Mrs. Roberts

The best way to reach me is through the Parent Square app used district wide.
