Governor Wentworth Regional School District (GWRSD)

School Board Policies

*A complete copy of all GWRSD School Board Policies can be found [here](#).
If you would like a printed copy of a specific policy, please contact the school.*

Nondiscrimination/Equal Opportunity

The school district does not discriminate on the basis of sex or other protected categories in its education programs and activities, as required by federal and state laws/regulations.

Discrimination against and harassment of students because of age, sex, gender identity, sexual orientation, race, creed, color, ancestry or national origin, marital status, familial status, physical or mental disability, religion or economic status are prohibited.

Nondiscrimination/Equal Opportunity (Policy AC) [is found here](#)

Procedures for Policy AC are found [here](#).

Regulations for Policy AC are found [here](#)

**2026-2027 GWRSD School Calendar

Effingham Elementary School 6 Partridge Cove Rd. Effingham, New Hampshire 03882

Telephone: 603-539-6032 Fax: 603-539-4511

District: gwrsd.org Website: effinghamelementary.org Principal's Email: pmorrissey@sau49nh.gov

All staff emails follow the general format of first initial/lastname@sau49nh.gov

Learning Compact:

At Effingham School we will:

- hold high expectations for student learning.
- maintain an environment based on respect for all individuals.
- provide quality curriculum and instruction in a supportive and effective learning environment.
- provide a safe environment that allows for positive learning experiences.
- help students resolve conflicts in positive, constructive ways.
- encourage frequent and positive communication between teachers, students and guardians.
- demonstrate professional behavior and a positive attitude.
- conduct ongoing assessments to measure the progress of each student.
- respect the differences of students and their families.

As an Effingham School student I will strive to:

- come to school ready to work and excited to learn.
- respect myself and the differences in others.
- respect the rights of others to learn without distraction or disruption.
- complete all assignments to the best of my ability.
- ask adults for help at school, and at home, when I need it.
- show respect and cooperate with all people in school.
- work out problems with others in constructive ways.
- discuss what I am learning at school with my family.

As an Effingham School parent/guardian I will strive to:

- provide a positive and encouraging home environment.
- teach the value of education by making sure the student attends school regularly, on time, well rested, and prepared to learn.
- establish and enforce a structure and routine for the completion of school work.
- help the student use time wisely by monitoring their use of social media, television, video games, and computers.
- maintain ongoing conversations with the teachers.
- expect the student to work to the best of their ability.
- provide time for the student to read with an adult on a regular basis.
- encourage the student to share what they learn in school with our family.

Daily Schedule

Students enter Classrooms at 8:45 a.m.

Morning Announcements at 8:50 a.m.

Lunch: Grades K-3 12:00pm, 4-6 at 12:30pm

Recess: Grades K-3 at 12:30pm, 4-6 at 12:00 pm

Afternoon Announcements at 3:15 p.m.

- Walker/Pickup Dismissed @ 3:15
- Bus Dismissal Begins @ 3:20

This is subject to change.

Arrival/Departure

Students will enter their classrooms at 8:45 AM. Morning attendance is taken and announcements are made. A student is considered tardy at 8:50 A.M.

At 3:15 pm, afternoon announcements are made. Walkers/Parent Pickup and bikers are dismissed. If parents wish to enter the building to pick up a student, the main (office) entrance is to be used.

Being on time for school is important!

- Tardiness - It is the responsibility of the student and the parent/guardian that students arrive on time. If you are bringing your child to school late, parents/guardians/caretaker **must** walk the child into the building. Students may not be dropped off at the curb. Oversleeping is not a good reason for being tardy. Extenuating circumstances such as doctor's appointments and family emergencies do occur and are understandable. Students who are tardy due to bus delays are excused and not counted as tardy.

If you wish to make changes in your child's normal departure, please send in a note. To ensure your child's safety, when changes are made to routine dismissal procedures, students are not allowed to leave the school with anyone or by any means unless specified, in advance, by a custodial parent or guardian. The parent/guardian, or designee authorized by parent/guardian, must report to the main office to dismiss the child. Individuals who are unfamiliar to school personnel but have permission to pick up a student, may be required to provide photo identification. Written (email) communication regarding arrival/departure is preferred. It is best to inform the front office AND classroom teacher of arrival/ dismissal changes. If changes are to be made, **please inform the office and classroom teacher prior to 2:00pm** so as to avoid confusion or potential safety issues.

Parents Right to Know – Title I Schools

Each year, as required by law, schools that receive Title I funds must notify parents/guardians that they may request information regarding the professional qualifications of their child's teachers. This information will be provided by the school in a timely manner. At a minimum this includes the following:

- whether the teacher meets the NH requirements for the grade level(s) and subject areas taught
- whether the teacher is teaching under emergency status that the Department of Education has temporarily waived his/her certification requirement
- the teacher's degree(s) and any other graduate certifications held by the teacher and the field of discipline of the certification or degree
- whether the child is provided services by a paraprofessional and, if so, his/her qualifications

Each Title I school must also provide parents with the following information:

- the level of achievement their child has made on all state assessments
- timely notice if a child has been taught for four or more consecutive weeks by a teacher who is not highly qualified

All information provided to parents must be clearly written and provided in a language the parent is able to understand. Please contact your school principal or Erin Daggett, grant writer/project manager, at 603.569.2055 if you have any questions regarding your Right to Know or if you would like to request any information.

New Hampshire School Administrative Unit 49
P.O. Box 190, 140 Pine Hill Road
Wolfeboro Falls, New Hampshire 03896-0190

ANNUAL NOTICE OF STUDENT EDUCATION RECORDS AND INFORMATION RIGHTS

The federal Family Educational Rights and Privacy Act (“FERPA”) provides certain rights to parents and eligible students (18 years of age or older) with respect to the student’s education records.

A. Inspection of Records

Parents/eligible students may inspect and review the student’s education records within 45 days of making a request. Such requests must be submitted to the Superintendent or building principal in writing and must identify the record(s) to be inspected. The Superintendent or building principal will notify the parent/eligible student of the time and place where the record(s) may be inspected in the presence of school staff. Parents/eligible students may obtain copies of education records at a cost of 10 cents per page.

B. Amendment of Records

Parents/eligible students may ask the School District to amend education records they believe are inaccurate, misleading or in violation of the student’s right to privacy. Such requests must be submitted to the Superintendent or building principal in writing, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the Superintendent or building principal decides not to amend the record as requested, the parent/eligible student will be notified of the decision, their right to request a hearing and information about the hearing process.

C. Disclosure of Records

The School District must obtain a parent/eligible student’s written consent prior to disclosure of personally identifiable information in education records except in circumstances permitted by law or regulations as summarized below.

1. Directory Information

The School District designates the following student information as directory information that may be made public at its discretion: the student’s name, grade, grade level/year of graduation, age, activity participation, school, honors and awards, weight and height for athletic teams at secondary schools, and parent/guardian name. Parents/eligible students who do not want the School District to disclose directory information must notify the building principal in writing by October 1 or within thirty (30) calendar days of enrollment, whichever is later. This opt-out request

will remain in effect until the beginning of the next school year.

2. Military Recruiters/Institutions of Higher Education

Military recruiters and institutions of higher education are entitled to receive the names, addresses and telephone numbers of secondary school students and the School District must comply with any such request, provided that parents have been notified of their right to request that this information not be released without their prior written consent. Parents/eligible students who do not want the School District to disclose this information without their prior written consent must notify the Superintendent in writing by October 1 or within thirty (30) days of enrollment, whichever is later.

3. School Officials with Legitimate Educational Interests

Education records may be disclosed to school officials with a “legitimate educational interest.” A school official has a legitimate educational interest if he/she needs to review an education record in order to fulfill his/her professional responsibility. School officials include persons employed by the School District as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel); members of the School District’s School Board; persons or companies with whom the School District has contracted to provide specific services (such as attorneys, auditors, medical consultants, evaluators or therapists); and volunteers who are under the direct control of the School District with regard to education records.

4. Health or Safety Emergencies

In accordance with federal regulations, the School District may disclose education records in a health or safety emergency to any person whose knowledge of the information is necessary to protect the health or safety of the student or other individuals without prior written consent.

5. Other Entities/Individuals

Education records may be disclosed to other entities and individuals as specifically permitted by law. Parents/eligible students may obtain information about other exceptions to the written consent requirement by request to the Superintendent or building principal.

D. Complaints Regarding School District Compliance with FERPA

Parents/eligible students who believe that the School District has not complied with the requirements of FERPA have the right to file a complaint with the U.S. Department of Education. The office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

See related GWRSD District [policy](#) and [form](#)

GENERAL INFORMATION

Attendance

Regular and punctual patterns of attendance are required of each student. Student attendance is the responsibility of the parents/guardian and student. We appreciate your continued understanding and cooperation in our effort to ensure your child's attendance.

- Absence - If your child is going to be absent, please inform the school office and include the name of the student, date of absence, and reason.
- Tardiness - It is the responsibility of the student and the parent/guardian that students arrive on time. If you are bringing your child to school late, parents/guardians/caretaker **must** walk the child into the building. Students may not be dropped off at the curb. Oversleeping is not a good reason for being tardy. Extenuating circumstances such as doctor's appointments and family emergencies do occur and are understandable. Students who are tardy due to bus delays are excused and not counted as tardy.
- Students that arrive after 10am and the office has not been notified prior to 10am, will be signed up for the cold lunch option with food service.
- Please see further information contained in the GWRSD policy on Student Attendance, Absences, and Truancy [here](#)

Personal Communication Devices

To help all students focus and learn without distractions, and to align with RSA 189:1-a, V (2025), students **cannot use personal devices** (like phones, tablets, smartwatches, or laptops) **during the school day**, including during class time, lunch, recess, and passing time.

If students bring a device to school, it must be powered off and kept in a locker, backpack, or bag from the start of the school day to dismissal. Exceptions may be made for documented medical reasons, learning needs, or language proficiency support as outlined in a student's education plan (e.g., IEP or 504 Plan). The school is not responsible for lost, stolen, or damaged personal devices.

Students participating in extracurricular activities (after-school clubs, athletics, or activities) or field trips must follow the rules regarding personal communication devices set by the coach, instructor, or activity supervisor. At no time, however, may devices be used to take pictures, videos, or recordings of others without their permission, and devices can never be used in bathrooms or locker rooms.

If a personal device is used during the school day, consequences will be as follows.

- **First Offense:** Student will receive a warning and the device must be powered off and put away.
- **Second Offense:** Student will receive an office referral and the device will be held in the office until the end of the school day. The parent/guardian will be notified and the student may pick up the device at the end of school day.
- **Third Offense:** Student will receive an office referral and the device will be held in the office until the end of the school day. The parent/guardian will be notified and the student may pick up the device at the end of the school day. The device must be turned into the office every day for a week.
- **Subsequent Offenses:** In addition to receiving the consequences for the third offense, the student must turn in the device to the office for an extended period of time.

Additional consequences will follow the Student Code of Conduct for behaviors or offenses that occur beyond the use of a personal communication device.

Please refer to [Policy JICJ](#) for the full policy.

Dress Code

Please find the GWRSD policy [here](#).

Lost and Found

There is a “lost and found” bin located in each school building. If you have lost something, check this location. To avoid this prospect, we recommend labeling all student apparel. If you find something that does not belong to you, please bring it to the office. Students should not bring large sums of money or valuable personal items to school. Under no circumstances is the school responsible for lost or stolen items.

Photographs/Video

We love to capture the fun and exciting things that happen here at school and we love even more to share it with our community! Photographs and videos of your child will only be shared if you give permission for us to do so.

Recess

All children are expected to participate in outdoor recess, unless excused for medical reasons with a doctor's note. Active play is an important part in ensuring that children are ready for learning. It is the family's responsibility to see that a child is properly dressed for the day's weather conditions. This may include a raincoat, hat, mittens, snow pants, coat, or boots depending on the weather. Please label your child's apparel to help avoid confusion with other children's clothing.

Water and Water Bottles

EES provides bottled water and refillable water bottles for all students. The school issued water bottles are cleaned weekly and are to remain at school. Per policy [ILCE](#), water bottles are to be filled exclusively with water.

SAFETY AND EMERGENCY PROCEDURES

Dismissal

If you wish to make changes in your child's normal departure, please send in a note or email the front office AND the classroom teacher. To ensure your child's safety, when changes are made to routine dismissal procedures, students are not allowed to leave the school with anyone or by any means unless specified, in advance, by a custodial parent or guardian. The parent/guardian, or designee authorized by parent/guardian, must report to the main office to dismiss the child early from school. Individuals who are unfamiliar to school personnel but have permission to pick up a student, may be required to provide photo identification. Phone arrangements are discouraged, written notice (note/email as noted above) of a dismissal change is preferred. Changes to dismissal plans must be made **prior to 2:00pm** so as to avoid confusion or potential safety issues.

Emergency Plan

For the safety of students and staff, we work closely with the police and fire department to have a comprehensive safety plan.

Major crises, especially catastrophic events, are rare in our nation's schools but being prepared is important. Our plan addresses emergency management planning as well as building security. We will continually and routinely refine our plan in collaboration with the police and fire department based on experience, research, and changing vulnerabilities.

We regularly practice emergency drills to ensure that our staff and students know what to do in case of an emergency. Research shows that the more we practice the drills, the more prepared that we are to respond in the way we should. Drills may include evacuation, reverse evacuation, shelter-in-place, lockdown, and fire. The objective of these drills is to help staff and students feel prepared and remain calm in the event of an actual emergency situation.

Inclement Weather/School Closing

Information on school delays and closings will be sent via email, text, and/or call from the superintendent's office. Please make sure your information is updated in InfiniteCampus to ensure that you don't miss this important information from our superintendent. This information will also be posted on WMUR.

School Doors and Entrance

All doors to the school are kept locked while students are in the building. The front door is equipped with a buzzer system to gain entry to the building. If you need to enter the building during school hours, please use the buzzer located near the front door.

Transportation

- Bus - Students will be dismissed when their bus is called at the end of the school day. Students may only ride on the bus assigned to them.
- Bike Riders - If your child is going to be riding their bike to/from school, you must provide permission for them to do so. Students riding bicycles are expected to obey all traffic laws and must wear a helmet. Bicycles are not to be ridden on sidewalks, between the cars in the parking lot, on the grass surrounding the school, or in the front driveway where the visitor parking is located. Students must walk their bike on the sidewalk to the bicycle rack. A bike lock may be used while the bike is at school. The school is not responsible for lost, stolen, or damaged bicycles. Students who violate the rules for bicycle riders could lose the privilege to ride their bicycle to school.
- Parent Drop Off/Pick-up- If you are driving your child to school or picking them up, please follow the drop-off route designated and communicated by school administration. Students must be at school by 8:45am and dismissal begins at 3:15pm
- Walkers - walkers should enter/depart through the designated exit.

Office Procedures

Change of Address

If a student's address, phone number, or other important information should change during the school year, the office must be notified and InfiniteCampus must be updated. In case of an emergency, it is vital that the office has accurate information.

Messages to Students

When you find it necessary to telephone your child at school to leave a message, the message will be relayed to them as efficiently as possible. Since it is very busy during dismissal time, we ask that you call before 2:00pm. This will ensure that your child receives the message. Teachers, students, and classrooms will not be interrupted during learning time unless there is an emergency.

School Records

Parents have a right to examine their children's records. This may be done by contacting the school office to set up an appointment to do so.

Visitors and Volunteers

We welcome and encourage visitors to our school. If you wish to visit a specific classroom at a certain time, please make arrangements with the classroom teacher. In order to maintain a safe environment, all visitors must report to the main office to obtain a volunteer/visitor badge. Visitors are typically escorted while in the building. Please help us by cooperating with this procedure.

Volunteers are community members who will work independently or with students in a classroom at the teacher's request. Volunteers may be invited to join field trips. Volunteers must complete the district fingerprinting and background check prior to the first volunteer event. The fingerprinting/background check does not need to be completed each year as long as the volunteer remains active and in good standing with the school. Ask the office to get the process going to be a volunteer!

Academics

Code of Conduct

The Governor Wentworth Regional School District is a community built upon kindness and respect. It is the expectation that all students will act in a manner that is safe, kind, respectful, and responsible. Our goal is to have a school climate that is welcoming, positive, and engaging for all. The staff will work to teach and model expected behaviors to all students and all students will be held accountable for their own behavior. We do understand and appreciate that this could look different for every child and that at times students may struggle with their choices. Our approach will be one of restorative in nature and we will work with the students and families to help own and fix behavior, move forward in a positive way, and ultimately change behaviors if necessary. Please know that while our goal is always to help students recognize and address behavior if needed, we also want to ensure a safe learning environment for all. When a student acts in a way that is unsafe, unkind, irresponsible, or disrespectful, a supervising adult must make a decision about how to best respond and protect the student and others, and to prevent the same behavior from happening again. When necessary staff will refer an incident to the office and depending on the situation, students should expect any of the following outcomes:

- Time away from class or activity
- Loss of recess or privilege
- Student conference
- Parent phone call
- Parent conference
- Suspension: Depending on the seriousness of the offense, a student may be required to serve an in-school or out-of-school suspension.

Please see the GWRSD policy on Student Conduct [here](#). Code of Conduct regulations are found [here](#).

Technology

We are very fortunate to be able to offer one-to-one technology across the District. The use of technology is a privilege and students are expected to comply with the Student Electronic Communications policy (found [here](#)). The School District Internet Access policy can be found [here](#). Any student in violation of this policy may lose the privilege to use their school-issued devices and online platforms. The GWRSD Data Governance policy can be found [here](#) and the Data Governance Manual, updated as needed, can be found [here](#).

Field Trips

Field trips are considered enrichment to the curriculum and support the learning of our students, with approval from the Superintendent. In order for your child to participate in a field trip, a permission form must be completed prior to departure. Field trips are planned as a class activity and an opportunity for students to interact with classmates in a different educational setting. Students are expected to be transported as a group to a field trip location unless a special circumstance exists and approval is given by the principal for a different means of transportation. Parents/guardians are encouraged to chaperone however, please be aware that we are sometimes limited to the number of chaperones that can attend due to space or requirements of the place being visited. Any parent wishing to chaperone must complete the district fingerprinting/background check process.

Grading and Reporting

GWRSD uses a standards-based grading system for all students K-6. Standards-based grading looks at end of year grade-level standards and report cards reflect a student's progress towards those standards. Students are graded on a 1-4 scale for academics as well as their work habits. GWRSD uses a software platform called JumpRope to report your student's grades. Families have access to JumpRope in live time and can view current grades and missing work at their leisure. Your child's classroom teacher will provide more information about this during the fall parent/teacher conferences.

Parent Conferences

Parent/Teacher conferences are an important time to connect with your child's teacher about their progress. Our teachers want to meet with every family to ensure that you know how your child is doing in school and to answer any questions you may have about their progress. Your child's success in school is a team effort and we value your insight and thoughts. Conferences will be scheduled during **November 3rd** and **November 4th**. Your child's teacher will reach out with information about how to sign up for this conference.

Report Cards/Interim Report Marking Period - pdf reports will be emailed to families one week after the interim or trimester end. Grades are always available on JumpRope.

Trimester 1 Interim: October 23, 2026

Trimester 1 End: December 4, 2026

Trimester 2 Interim: January 29, 2027

Trimester 2 End: March 19, 2027

Trimester 3 Interim: May 7, 2027

Trimester 3 End: June 18, 2027 (or last day of school)

Health Services

Illness

If your child has a fever, vomiting, or diarrhea, you need to keep them home and notify the school of the absence. A child may not return to school until they are symptom/fever free for 24 hours without the help of medication. If you are unsure whether your child should attend, contact the school nurse and they will be happy to speak with you.

Medication Policy

Children are not allowed to take medication in school, unless the following medication policy is followed:

In accordance with the State Board of Education and Division of Public Health Regulations: Any pupil, grades Preschool through 6th, who is required to take prescribed medication during the school day, shall be assisted by the school nurse or another member of the school staff, so designated by the building principal, provided that the school has the following on file:

1. A written statement from the prescribing physician, detailing the method of taking the dosage and the time schedule to be observed, and any possible side effects.
2. A written authorization (request) from the Parent/Guardian of the pupil indicating the desire that the school assist the pupil in matters set forth in the physician's statement, accompanied by a "hold harmless" release, signed by a Parent/Guardian. Request forms may be obtained from the schools.
3. The medication must be in a container properly labeled (pharmacy label) with the student's name, physician's name, the date of the original prescription, name and strength of medication and directions for taking by student. The medication should be delivered directly to the school nurse, principal, or teacher by the Parent/Guardian. Do not send any medication to school with your child.
4. Prescribed medication will not be taken during school hours if it is possible to achieve the medical regimen at home.
5. Non-prescribed medication will not be allowed in school.
6. Students with lactose intolerance need a physician's statement regarding diagnosed lactose intolerance for special snack/lunch arrangements to be made.
7. Screening programs: Screening for vision, hearing and scoliosis (curvature of the spine) may be conducted during the school year at various grade levels. Referral notices will be sent home if screening results indicate that there may be a problem. The second sheet of the referral notice is to be returned to school when completed by a physician or specialist.

Food Service

Hot Lunch/Breakfast Program

Breakfast, hot lunch and milk are available at school every day. The Hot Lunch Program publishes menus monthly which are available on the [GWRSD Food Service page](#). Menus are subject to change. However, this usually happens only when there has been a snow-day or an emergency day. You may pay for your child's meals in advance with cash, check or using My School Bucks via the GWRSD Food Service site.

The cost for breakfast is \$1.50 and the cost for lunch is \$3.75. If students would like to purchase a milk separate from the hot lunch program the milk cost is \$0.40. You may make checks payable to

GWRSD Food Service. These prices are subject to change during the school year. **Applications for free/reduced meals can be accessed [here](#).**

Meal Charge Procedure – Parents are responsible for providing their children with lunch money or to provide a packed lunch from home. Parents are encouraged to put money “on account” for all students in the district.

If you are experiencing financial hardships, the Governor Wentworth Regional School District does participate in the National Free & Reduced Lunch and Breakfast program. You may apply at any point during the year. Applications are available at each school office or on our district website. Not only will this help you, it also has an impact on the amount the district receives from state financial aid and will help reduce taxes. These procedures are intended to outline the parameters of charges for school meals and to set a process for collection of funds owed to the district. Parents/Guardians of students in grades K-6 will be alerted of a low balance once a student’s account is overdue by five days.

MySchoolBucks – GWRSD makes paying for school lunches easy! With myschoolbucks, giving your students lunch money could not be easier. The Service is easy-to-use, convenient, private, and secure. Simply go to [this link](#) to enroll and start using the site to deposit funds into your child’s lunch account. Once your account is established, you can check balances and fund the account anytime from your home computer or phone. Your personal and payment card information is protected by the most advanced Internet security. To obtain your child’s District ID call the EES office at 603-539-6032.

School Board

GWRSD School Board members' contact information can be found [here](#).

Meetings

GWRSD School Board meeting dates for the 2026-2027 school year can be found [here](#).

New Hampshire Parental Bill of Rights (HB2, codified in new RSA 189-B) [GWRSD Policy AB](#)

A. New Hampshire Parental Bill of Rights

- I. All parental rights are reserved to the parents of a minor child in this state without obstruction or interference from any school. These rights include, but are not limited to, the right:
 1. To direct the upbringing and the moral or religious training.
 2. To direct the education, including the right to choose to enroll the minor child in an assigned resident public school, a public charter school, a non-public school, including a religious school, a home education program, or any other state-based education program, as authorized by law, as an alternative to public education, as set forth in RSA 193:1 and RSA 194-F:1, et seq.
 3. To request that a minor child be enrolled in a public school other than the public school assigned to them by their residence to avoid a manifest educational hardship, as set forth in RSA 193:3.
 4. To enroll his or her minor child in gifted or special education programs if the child qualifies for such programs.
 5. To inquire of the school or school personnel and promptly receive accurate, truthful, and complete disclosure regarding any and all matters related to their minor child, unless an

immediate answer cannot be provided when the initial request is made, in which case, the answer shall be provided no later than 10 business days after the request.

6. To be informed of the school's policy regarding discipline policies and procedures, as set forth in RSA 193:13.
 7. To obtain access for a minor child to public curricular courses and co-curricular programs offered by the local school district where the student resides while choosing to enroll their child in a non- public, public chartered, home education, or any other state-based education program, as set forth in RSA 193:1-c and RSA 194-F:2, II(d).
 8. To inspect any instructional material used as part of the educational curriculum within a reasonable period following a request, as set forth in 20 U.S.C. section 1232h(c)(1)(C).
 9. To opt out of health or sex education and any other objectionable material, as set forth in RSA 186:11, IX-b and IX-c.
 10. To be advised of and have the right to opt the minor child out of any nonacademic survey or questionnaire.
 11. To opt out of any district-level data collection relating to his or her minor child not required by federal or state law.
 12. To exempt their public-school minor child from participating in required statewide assessments in English, language arts, mathematics, and/or science, as set forth in RSA 193-C:6.
 13. To receive information regarding the level of achievement and academic growth of their minor child in the state academic assessments in English, language arts, mathematics, and/or science, as set forth in the Every Student Succeeds Act, 20 U.S.C. section 1112 (e)(1)(B)(i).
 14. To receive a school report card and be informed of his or her minor child's attendance requirements and compliance with such requirements.
 15. To access and review all education records relating to their minor child within 10 business days after the day the school receives a request for access, as set forth in RSA 189:66, IV and 34 C.F.R. 99.5.
 16. To consent in writing before the state or any of its political subdivisions, including, without limitation, any school pursuant also to the provisions of RSA 189:68, III-V, makes a video or voice recording, unless such recording is made during or as part of a court proceeding or part of a forensic interview in a criminal or other investigation by the bureau of child protective services or it is to be used solely for the purpose of a safety demonstration, including the maintenance of order and discipline in the common areas of a school or on student transportation vehicles.
 17. To be notified whenever seclusion or restraint has been used on their minor child as set forth in RSA 126-U:7.
 18. To access and review all medical records of their minor child maintained by a school or school personnel, unless otherwise prohibited by law.
 19. To exempt their minor child from immunizations if, in the opinion of a physician, the immunization is detrimental to the child's health or because of religious beliefs, as set forth in RSA 141-C:20-a and RSA 141-C:20-c.
- II. Federal law provides for additional parent and family involvement for schools that are receiving Title I, Part A; Title I, Part C (migrant); Title III, Part A (EL) funds, including:
1. The right to receive information, including student reports, in an understandable and uniform format and to the extent practicable, in a language that parents can understand, as set forth in 20 U.S.C. sections 1112(e)(4); 1114(b)(4); 1116(e)(5); and 1116(f).
 2. Upon request of the parent, the right to receive information regarding state qualifications of the student's classroom teachers and paraprofessionals providing services to their minor child, as set forth in 20 U.S.C. section 1112(e)(1)(A)(i-ii).

3. The right to receive an annual local educational agency report card that includes information on such agency as a whole and each school served by the agency, as set forth in 20 U.S.C. section 1111(h)(2)(A- B)(i-iii).
