

Principal's Message

From Mr. Gormaz

Dear Edison Families,

Welcome to the 2026–2027 school year at Edison! Whether you are a returning family or joining our Bobcat community for the first time, we are excited to partner with you in another year of learning, growth, and success. Edison has a proud tradition of excellence, and we are thrilled to share that our students continue to achieve exceptional academic outcomes. Recent state assessment results showed continued growth in both English Language Arts and Mathematics, with performance levels that rank among the highest in the region. These results reflect the dedication of our students, staff, and families, as well as our commitment to providing rigorous, high-quality instruction through our TK–8 universal GATE model that challenges and supports all learners.

Last year, Edison led the district in attendance, demonstrating our community's shared commitment to ensuring students are present and engaged in learning every day. We encourage all families to continue valuing in-person attendance and to make every effort to have students at school each day so they can fully benefit from the preparation, expertise, and dedication of our outstanding teachers. Together, we will continue to build on our tradition of excellence and create another remarkable year for Edison students.
