Snacks and Birthdays

- **Snack:** During our PE break (15 minutes) there will be time for your child to have a **small** and **healthy snack** (not provided by the school) that can be eaten in about 5-10 minutes. An example would be a small apple or half a sandwich. Please do not send peanut products. Snack time is optional, but encouraged as the children do get hungry. Please write your child's name on the sack or lunchbox.
- **Birthdays:** No treats will be allowed, but we will make their birthday special inside the classroom.

Homework and Volunteers

- Each child will be given homework to complete and return to school. Homework is designed to reinforce skills learned and increase the child's sense of responsibility. Homework will be monitored by the teachers, and is required by the district. You will be informed about your child's homework by your child's teacher during Back to School Night. All homework is expected to be turned in complete and on time.
- Volunteer information will be shared at Back to School Night.

Health & Safety/Illness

- Sick children should remain home.
 - Fevers or vomit must remain at home for 24 hours after symptoms are gone without medicine.
 - Call the school office at 984-5618 to report the absence.

- 

Restrooms

- Students will be encouraged to use at recess and lunchtime.
- Students will have access to single restrooms and communal restrooms in the MPR.
