What is Title I?

Jamestown Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I program must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This plan describes how Jamestown Elementary will provide opportunities to improve parent engagement and support student learning. Jamestown Elementary believes that parent involvement means the participation of parents in regular two-way and meaningful communication involving student academic learning and other school activities. We value the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. Parents and families are invited to help decide how parent and family engagement funds are used, as their input is valued in planning meaningful activities. This plan describes the different ways that Jamestown Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and home.

How is it revised?

Jamestown Elementary invites parents to the Input and Revision meeting. At which time, parents are asked to share input and revise the current policy. Additionally, parent input and comments regarding this policy and plan is welcomed throughout the school year. This plan, along with the compact, survey, and police are on the school's website. Input/Feedback sheets are available on the parent table located in the entrance of the school. The school will submit any parent comments to the district if they do not find the plan satisfactory.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Jamestown Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

In the Fall of the year, the revised plan is sent home with each student, given at Open House, Title 1 Annual Meeting and parent conferences. The plan is available on the school's website, Facebook page, ClassDojo, and in the office. Parents can also obtain a copy from the Parent Resource Center.

Building Capacity of Parents

The curriculum follows the Georgia Standards of Excellence (GSE), which are the learning goals set by the state. These standards help guide what students learn in each grade and subject.

Social Studies: Gallopade

Assessments: i-Ready is a universal screener for grades K-5 used to assess students' current academic levels in ELA and Math. The i-Ready diagnostic assessment is conducted three times per year to monitor student growth. i-Ready is a Dyslexia Screener for students in grades K-3 to determine whether students exhibit risk factors associated with dyslexia or other reading difficulties. The Georgia Milestones Assessment for grades 3-5 is used to determine mastery of grade-level standards. Review the calendar of educational trainings and school events provided below. Mission

The mission of Jamestown Elementary School is to provide effective and engaging instruction in a supportive environment that is conducive to learning and exudes excellence.

School-Parent Compact

As part of this plan, Jamestown Elementary and our families will develop a school-parent compact, an agreement outlining how parents, teachers, and students will collaborate to ensure all students meet grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during the Annual Title I meeting, Title I Parent Trainings over the school-parent compact, policy, and survey, and Input and Revision meetings. To support all families, including English Language Learners (ELLs) and migrant families, access to resources in their preferred language will be provided through translated materials and interpreters to help families understand important school information and participate in school meetings. The school-parent compacts are sent home, posted on the school’s website, and available in the Parent Resource Center.

School Community Team

Jamestown Elementary invites all parents to join the School Community to share ideas and ways to involve other parents to build partnerships with school, families, and the community. The team will meet four times during the school year, but parents can also submit their ideas or suggestions at any school activities and meetings, as well as through our parent surveys and website. If you would like to learn more about the School Community Team, please contact the principal at 706.796.4760.
