

August 2026

Dear Clinton Primary Families,

Welcome to the new school year! Our team has been hard at work preparing our classrooms, and we are so excited to partner with you for a wonderful year of learning and growth.

Staying Connected: What Communication Will Look Like From Clinton Primary

To help you stay informed and plan ahead, here is how we will be sharing news and updates this year:

- **Weekly SMORE:** Every week, you will receive an email from Mrs. Corless which will include key school news, upcoming events, and PTA activities.
 - **Mid-Month Calendar Sneak Peek:** Around the middle of each month, the weekly email from Mrs. Corless will include the calendar for the *upcoming* month so you can print it out and pop it right on your fridge to track future dates!
 - **End-of-Month Future Events and Activities:** The end of the month email from Mrs. Corless will also include detailed descriptions and information about all the events and activities coming up in the next month.

Paper flyers regarding some school events will also accompany the SMORE information you receive. Keep an eye on your home mailbox and your email soon with details regarding upcoming Kindergarten, 1st Grade, and 2nd Grade events!

Getting Involved

We encourage you to take an active role in your child's education by joining our PTA, attending school functions, and volunteering—family involvement makes a world of difference!

Important Information Attached

Please review the attachments included with this email for important information on how to become a volunteer, arrival and dismissal procedures, and family car tags.

My door is always open. Please feel free to reach out via phone at **(716) 677-3623** or email at **kmccartan@wscschools.org**, anytime you have questions.
