- 1.3 The award of contracts shall be made pending passage of the district budget coinciding with the school year for which the items/services are intended.
- 1.4 The contract, if awarded, will be to the lowest responsible bidder utilizing the total project cost, who meets all the terms and requirements.
- 1.5 The East Islip School District guarantees no minimum or maximum purchases or contracts as a result of award of this bid. The services described herein are estimated requirements only, and can be modified by the Board of Education in accordance with District needs.

2.0 INDEMNIFICATION AND HOLD HARMLESS

- 2.1 The contractor agrees to conduct its activities pursuant to this Agreement so as not to unnecessarily endanger any person and to indemnify and hold harmless the East Islip Union Free School District, its Board members, agents, officers, and employees against any and all claims, demands and causes of action, including claims for personal injury and/or death, damages (including judgments, settlements and attorney's fees and damages to the District's property), costs and liabilities, at law or inequity, of every kind and nature whatsoever, directly or proximately resulting from or arising out of or caused by the acts of omissions of the contractor, its officers, agents, employees, guests, patrons, students or invitees, whether such actions are authorized by this Agreement or not.

4.0 BID FORM RESPONSES

4.1 When filling out the attached bid form be certain that:

1. All blanks are filled in with the requested information.
2. All forms are signed in blue ink.
3. All areas requiring a price are to be filled in as follows:
 - Supply a numerical price for all products or services to be provided. (This includes a \$0.00 if there is no additional cost for any item)
 - The words "No Bid" if you are not interested in or unable to perform any particular portion for the bid.
 - All markings other than those indicated above or any blank spaces where prices are indicated shall be deemed as a "No Bid" by the District and shall make the vendor non-responsive for that particular item(s). No exceptions shall be made in this case.
4. Bids must be clear and legible. Bids that are incomplete, conditional, or obscure may be rejected by the Board of Education on the basis of not meeting bid specifications.
5. Vendors are to pay particular attention to the way each item is requested to be priced. *Example: Price \$_____/each, or / lot, or / ounce.*
Varying from the requested price breakdown may cause that item to be deemed non-responsive.

5.0 SCOPE

The purpose of this bid is to establish pricing for **repairs of a 1969 Steinway Model D Grand Piano**, as indicated within these specifications, for the East Islip School District and any/all municipal and not for profit organizations authorized under the General Municipal Laws of the State of New York, to purchase any goods and/or services awarded as a result of this bid in accordance with the latest amendments to NYS GML 100 through 104. However, it is understood that the extension of such contracts are at the discretion of the vendor and the vendor is only bound to any contract between the East Islip School District and the vendor. Additionally, the District reserves the right to purchase any goods or services included as a part of this bid from any means legally available to it at any time.

- 5.1 The Board of Education reserves the rights to waive any informality in or to reject any or all bids, or to accept the bid or those bids, which in its judgment is or are best for the school district.
- 5.2 It is intended that these specifications do not hinder competition and bids to supply products that are equal or superior to the standards established in these specifications will be given every consideration. The services described herein can be modified by the Board of Education in accordance with District needs.
- 5.3 Wherever in the attached bid specifications reference is made to a catalogue or manufacturer's number, this reference establishes the design, dimension, minimum standards, and general quality of workmanship and materials. Proposals to furnish other manufacturers must be accompanied by the name of the manufacturer, illustrations, or photographs with full details and complete information as to how the equipment differs from that specified. At the request of the purchaser, a bidder shall submit for inspection actual samples of such equipment within five (5) days after such request.
- 5.4 The contractor shall furnish and deliver furnishings and equipment described in the specifications with all appurtenances, parts and accessories not specifically mentioned in the Articles of Specifications, but which are normally a part of the furnishings or equipment called for or necessary to render it complete and ready for usage. This shall be included within the bid price and the contractor shall conform to the best business practices of his profession.

6.0 JUDGMENTS/LEGAL FINDINGS

- 6.1 By submitting this bid for consideration, the vendor affirms that they currently have no judgments or other legal findings nor have any pending judgments or other legal findings against the company or any of its executives, with any federal, state or local government entities that in any way could impact or have the potential to impact their ability to complete any contract awarded them as a result of the bid.
- 6.2 Failure to disclose any such judgments and/or findings will result in the termination of any contracts and other penalties as deemed legal and appropriate by the East Islip School District.

7.0 SUBSTITUTIONS

- 7.1 When the schedule indicates a brand name or a specific manufacturer's or dealer's catalogue number, the bidder may furnish an article equal to or better than that named with prior approval by the purchasing agent. In every case, such proposed substitution shall be clearly indicated by the bidder, stating the name of the manufacturer, or the trade name. The Board of Education reserves the right to determine the equality of substitutions.
- 7.2 Such decisions regarding the equality may be based upon performance tests made in the District or by an Independent Laboratory analysis. All costs associated with the review of any equal item prior to recommendation to award, shall be at the bidders expense. However, the bidder must include with the bid package, documentation establishing equality of construction, operation and utility.
- 7.3 In case the substitution involves a different size, weight, color, etc., this must be stated.
- 7.4 The decision to accept or reject an equal item rests solely with the Board of Education. If a substitute "or equal" item is not accepted by the Board of Education, the bid will be deemed non-responsive and the District shall reject this bid. The next lowest responsive bid shall then be reviewed for recommendation of award.

8.0 NON-APPROPRIATION CLAUSE

- 8.1 In accordance with New York State General Municipal Laws the East Islip School District will not be liable for any purchases or contracts for goods or services for which funding is not available. As a result, the vendor agrees to hold the District harmless for any contracts let for which funding either does not currently exist or for which funding has been removed prior to the issuance of a purchase order by the District.
- 8.2 Issuance of a purchase order by the District indicates that the District currently has set aside adequate funds to procure the goods and services indicated in the purchase order or contract. Receipt of a resolution by the Board of Education is not in and of itself a binding contract with the East Islip School District.
- 8.3 Should it become necessary for the District to cancel a project or purchase after an order to proceed or purchase order has been issued, the District will only be liable for and the vendor agrees to only assess those financial damages that it can prove to have incurred as a result of the cancellation.

9.0 NON-ASSIGNMENT

- 9.1 The contractor will give its personal attention to the faithful performance of the contracts; it will not assign, transfer, convey, sublet or otherwise dispose of this contract, or its right, title or interest in or to the same or any part hereof, and it will not assign by power of attorney or otherwise any or the monies to become due and payable under this contract, unless by and with the previous consent

in writing of the Board of Education endorsed upon or attached to the assignment filed in said offices.

- 9.2 In accordance with New York State General Municipal Law 109, at no time during the duration of any contract resulting from this bid, shall the successful vendor be allowed to assign any portion of this contract to a third party without express written approval by the Board of Education.

10.0 TOXIC SUBSTANCES

- 10.1 The successful vendor must supply information on any items which contain any substance that is listed in the latest printed edition of the National Institute of Occupational Safety and Health Registry of Toxic Effects of Chemical Substances or which has yielded positive evidence of acute or chronic health hazards in human, animal or other biological testing. - 11.1 An East Islip School District purchase order will be issued for the purchase of materials/services purchased exclusively by the District. **IN EVERY INSTANCE THE PURCHASE ORDER WILL BE THE GOVERNING DOCUMENT**

12.0 PAYMENT

- 12.1 **No pre-payments or downpayments for any services will be allowed.** Invoices will be forwarded to the Accounts Payable Department at the East Islip School District, 1 Craig B. Gariepy Avenue, Islip Terrace, New York 11752 within 45 days of completion of service/delivery. Failure to submit invoices timely may result in delay in reimbursement and/or financial penalties.

13.0 TERMINATION OF CONTRACT

- 13.1 The District, by 30 days written notice, may terminate this contract, in whole or in part, when it is in the best interest of the District. If this contract is so terminated, the District shall be liable only for payment in accordance with the payment provisions of this contract for services or supplies rendered prior to the effective date of termination.
- 13.2 In the event the successful bidder fails to deliver as ordered, or within the time specified, or fails to abide by any of the provisions of the contract, and does not cure such failure within the ten (10) day period, the District reserves the right to terminate said contract for default, and in order to protect the continuity of the operations, the required services may be procured from the apparent responsible second low bidder or other sources. In the event default action is carried out, the delinquent contractor agrees to reimburse the District promptly for excess costs occasioned by such expenditures from revenue owed to the original contractor or from the Performance Bond.
- 13.3 Instances of lateness and failure to adhere to the schedule shall constitute a breach of contract.

13.4 No bid shall be accepted, or contract awarded, to any Contractor whose performance on any previous contract with this or any other School District has been determined to be unsatisfactory. The Board of Education reserves the right to be the sole judge in this decision.

13.5 The Board of Education may make any investigation they deem necessary to determine the ability of the Bidder to perform the work, and the Bidder shall furnish to the Board of Education all such information and data for this purpose as the Board may request.
