

Request Form for Textbooks, Standardized Tests, Individual Instructional Materials, Software and Other Educational Technology

School Year Ending June 2027

The State of Minnesota has authorized local public school districts to loan textbooks, standardized tests, individualized instructional materials, software and other educational technology to pupils attending a nonpublic school, (including homeschools), established and operating within the school district boundaries. These materials must be secular in nature, designed primarily for individual use by the pupil in a particular class or program in the school the pupil regularly attends, and must be requested by, or on behalf of, the pupil **no later than September 15, 2026.**

Pupil's Name: _____ Grade Level: _____

Name of School: _____

Please indicate, by checking the appropriate box below, whether you request these items this school year.

☐

I do request that textbooks, standardized tests, individualized instructional materials, software and other educational technology be provided on loan to the above pupil this school year.

☐

I do not wish to request the loan of any materials this school year.

Verification of Use: I hereby verify that the textbooks individualized instructional material, software and other educational technology requested are to be used by the pupil named above in a secular course of instruction in the pupil's elementary or secondary school. I hereby verify that standardized tests will be agreed upon with the public school district and are used to measure progress in K-12 secular subjects.

Signature of Pupil, Parent, or Guardian

Date

Please return signed forms to the nonpublic school when completed.
