TOPIC	MIN	NOTES
1. Kudos and Celebrations*	3	5 Wilson scholars represented Wilson at the social justice forum - Kudos to the volleyball team's great season, which ran down to the 5th set - Kids did a good job on the Hispanic Heritage celebration
2. SCEP updates*	2	Reynolds: we received an email for the initial meeting, which will come around the 19th of November with Amy Alkiewicz.
3. Professional Development updates*	0	
4. PTSO & Title 1 Funds	0	This was voted on last Monday by email. Updated voting record to add Hochreiter and Lisher to the Yeas.
5. Club Approvals	2	Approved: *Math League (Meisie), Chess club (Filipiak), media club (Burns), *literary journal (Burns), outdoor club (Chitaphong), *School Newspaper (Burns), Student Government. Starred clubs are covered by the contract. Student government could be, but the name must be changed to "Senior and Junior government", and we need to have the RTA reps here to decide what to do with that.
6. Winter Pep Rally	5	Hochreiter: pretty much same idea as fall rally: games and team introduction, band, same schedule – students enter gym 1:15, teams at 1:30, games begin at 1:45. Reynolds: let's solicit staff feedback – some made good suggestions about how to keep things rolling between events. Gurrell: let's get Prime Time 585 in here – she is a Wilson grad, this would make the event even more fun for the students.

School-Based Planning Team

		Missy: let's be sure we get the question about changes to the instructional schedule back to the teachers and other constituents before we give the go ahead on this. Hochreiter: student government can put together the schedule and then send it out as a poll to Wilson. Majority rules.
7. New Business: Vision statement		Lischer: we need a vision statement. Caswell: let's make a subcommittee. Lischer: have the Vision Statement subcommittee meet on Wed Nov 12 in the hour scheduled for the after school PD. Reynolds: whatever it is, it needs to apply to the whole school community. Missy, Caswell, and Sicienski, Reynolds, Lischer
