

Families Helping Families Since 2005

What is T&E Care?

We are a 100% volunteer non-profit that helps individuals and families with short-term financial and other material assistance.

Who does T&E Care help?

We help students, families, and older adults who live in T/E. People can self-refer or be referred from the school district or partner organizations.

How does T&E Care help?

We help people who are facing temporary or emergency hardships. For example, we can help pay rent to avoid eviction or help bring a PECO account to good standing to avoid shut-off. We also help qualifying families with school supplies, school lunch, holiday meals or gifts, among other types of assistance.

If You Need Help

Go to our website at tecure.org and click the green “**REQUEST ASSISTANCE**” button or speak to your child’s counselor. All requests and assistance are confidential, but verified.

If you want to help or volunteer

Our work is made possible by the generosity of our donors and network of dedicated volunteers. Visit our website at tecure.org for all the details.

Please join us for Fall Fest 2026
