

School Responsibilities

We, as teachers, administrators and staff will support your child by:

- Encourage students to participate in opportunities to increase learning in core content areas.
- Utilize school funds to purchase technology to support student's learning and well-being
- Assemble intervention teams to conduct instructional rounds to support teacher interventions.

Student Responsibilities

I, as a student, will share the responsibility to improve our academic achievement and achieve the State's high standards by:

- Engage in opportunities for learning in the classroom and with school support staff to increase academic success.
- Utilize the school's technology to enhance the richness of my learning.
- Commit to giving 100% on all state assessments to attain accurate measurements of academic standards.

Home Responsibilities

We, as parent(s)/guardian(s), will support our child(ren) in the following ways:

- Stay informed about my child's education and communicate with the school by promptly reading all notices delivered either by mail or by my student and utilizing Infinite Campus
- Participate in meetings to allow my voice to be heard as a representation of the school and as an advocate for my child
- Attend meetings held at the school to support the school community which fosters support for my child.

Jointly Developed

The Title I School-Parent Compact was jointly developed by parents, students, teachers, and faculty members. Each school year, meetings are held in the Fall and Spring semesters for parents, teachers, and students to review the compact and make suggestions based on student needs and school improvement goals.

What is a School-Parent Compact?

It is a written commitment describing how all members of a school community—parents, teachers, administrators, and students—agree to share responsibility for student learning.

This compact helps bridge the learning connection between school and home.

What is Title I?

Title I is the largest federally funded education program that provides extra support to students who are academically at-risk in public and private schools. Through Title I, government allocates funds to school districts around the country based on the number of low-income families in each district. Title I funds are designed to help close the achievement gap between disadvantaged students and their peers.

Title I is to help ensure that all children.
