

Ed W. Clark High School

Academy for Mathematics, Science, Arts, and Technology
Teacher Education Academy at Clark High
Academy of Finance

Dear Charger Families,

Welcome to the 2026–2027 school year! I hope this letter finds you and your family enjoying a safe and restful summer. As we prepare to open our doors for a new school year, I want to take a moment to share my excitement and gratitude for the opportunity to continue working with this incredible community.

At Clark, we remain committed to our mission: *to educate and inspire each student for college and career readiness*. Our vision takes a step forward as we focus on ensuring every student has both a **path and a plan**—a personalized roadmap to help them achieve their academic, personal, and postsecondary goals.

Whether your student is just beginning their high school journey or entering their final year, our staff is ready to support, challenge, and celebrate them every step of the way. We'll continue to build on our commitment to high-quality instruction, strong relationships, and a positive, inclusive school culture.

Some key updates for the new year include:

- **Expanded academic support and enrichment programs**
- **Increased focus on attendance, engagement, and student well-being**
- **New college and career exploration opportunities across grade levels**

We look forward to seeing you on campus and partnering with you to make this year a great success.

Thank you for your continued support and trust. Together, we can ensure that every student leaves Clark prepared for a bright future.

Sincerely,

Zeola Braxton
Principal
