

Dear Students, Families, Staff, and Community Members of Lincoln Elementary School,

Welcome to the 2026-27 school year! It is with great excitement and gratitude that I introduce myself as the next principal of this amazing school in this wonderful community.

My name is Andrew Simpson, and I am honored to have the opportunity to serve the students, families, and staff who make our school such a special place. As an educator and leader, I believe that every child deserves to feel valued, supported, challenged, and inspired each day. My commitment is to ensure that our school is a place where all students can thrive academically, socially, and emotionally.

At Lincoln Elementary we believe that student success is built through strong relationships, high expectations, and meaningful opportunities for learning. Our dedicated staff works to create engaging classrooms where students develop critical thinking skills, confidence, creativity, and a lifelong love of learning. Together, we strive to provide a safe, welcoming environment where every child feels a sense of belonging.

Families are an essential part of our success. I believe that education is most powerful when schools and families work together as partners. I encourage parents and guardians to stay connected, participate in school events, and communicate openly with our staff at every opportunity. By working together, we will help every student reach their fullest potential.

Thank you for entrusting us with your children. I am honored to serve as your principal and look forward to an incredible year of learning, growth, and achievement together.

With appreciation,

Andrew Simpson
Principal, Lincoln Elementary School

Fresno Unified
School District
