Welcome to Angel Oak Primary School!

Dear Families and Students:

The teachers and staff of Angel Oak Primary would like to welcome you to an exciting 2026-27 school year! This year's theme is "All Are Neighbors"! This handbook has been prepared to give you important information you will need throughout the year.

Angel Oak Primary is part of the Charleston County School District. CCSD strives to create a dynamic system of challenging educational choices, to increase student achievement overall, and to close achievement gaps to prepare all students to compete in a global economy and make a positive contribution to our community and nation. Our goal is for every child to graduate from CCSD with the critical skills and knowledge necessary to succeed in college and the 21st-century global workforce.

This year at Angel Oak, we are committed to ensuring that all of our students have a joyful first school experience, strengthened by deep family and community partnerships, and to ensuring that we build a strong foundation for future school success beyond the primary years.

Please stay informed by visiting our school's website, Facebook page, and the ClassDojo app for up-to-date information and announcements. Please take advantage of volunteer opportunities and stay tuned for other ways to be involved.

We look forward to partnering with you as your child learns and grows at Angel Oak Primary School. We are excited to have you as a part of our Angel Oak Primary School family!

Sincerely,

Anna Mims
Principal

School Colors: Light Blue and Orange

Mascot: Hootie, the Owl

Administration

Angel Oak Primary has one principal, Mrs. Anna Mims, and one assistant principal, Mrs. Reagan Price. Both administrators are happy to assist you with any questions that you may have related to your child. If you have questions about your child's daily experience at Angel Oak Primary or academic assignments, please reach out to your child's teacher first. For questions related to behavior/discipline, buses, or state testing, please reach out to Mrs. Price first.

Attendance

Regular school attendance is required for students to be promoted to the next grade level. Consistent attendance helps to ensure that students meet academic expectations. Student attendance also impacts Angel Oak Primary's South Carolina report card. Students may not be eligible for promotion if they have more than ten *unlawful* or *unexcused* absences. **The school office must receive a valid excuse (a note), written by the parent or guardian within three days after the student returns to school; excuses can also be submitted through your PowerSchool Parent Portal.** Doctor's offices can also fax medical excuses to the office at 843-559-6415. Scanned excuses will be accepted if they contain the required items below. This excuse (note) must contain:

- Student's name
- Teacher's name
- Date(s) of absence
- Specific reason for absence
- Signature of parent or guardian (or of the medical professional for a medical excuse)

Attendance conferences will be held with parents of children who exceed the South Carolina Attendance Regulation Laws. Student attendance is monitored very closely. Please read the Student Code of Conduct and Attendance Policy in your child's beginning-of-the-year packet.

Please remember that your child's attendance is extremely important to the performance of our school. Our school must meet certain attendance requirements set by the state of South Carolina. Please have your child at school every day!

Bell Schedule

- 7:00-7:30: Morning Kaleidoscope Program
- 7:05: Teacher Arrival
- 7:20: Doors Open/Students to Breakfast in Cafeteria
- 7:35: Students dismissed to classrooms
- 7:45: School Day begins (*students are tardy after 7:45*)
- 7:45: Morning Announcements/Attendance/Instruction begins
- 2:25: Instruction ends/Prepare for Dismissal
- 2:30: Afternoon announcements/Dismissal begins
- 2:35: Cars & buses begin loading
- 3:00: Dismissal ends and remaining students are escorted to Kaleidoscope Program (*students remaining after 3:05 pm are considered a late pickup*)
- 3:05: Teachers dismissed

Birthday Parties

AOP will NOT have “birthday parties” for students. Parents may bring a small party favor or a snack to be shared with the class during the last 15 minutes of the school day or during lunch. Please speak with your child’s teacher in advance to schedule the best time to celebrate. NO BALLOONS, GIFTS, FLOWERS, etc. will be allowed to keep class disruptions minimal.

Note: All foods served at AOP to students should be store-purchased (not homemade) so that everything served to students comes from a state-inspected kitchen and all ingredients can be monitored for children with food allergies. Please check with your child’s teacher about allergies in the classroom.

Breakfast and Lunch

We are pleased to inform you that Angel Oak Primary will be participating in an option available to schools as part of the National School Lunch and School Breakfast Program called the Community Eligibility Provision (CEP) for the School Year 2026-27. The GREAT NEWS is that ALL students enrolled at our school are eligible to receive a healthy breakfast and lunch at school at NO CHARGE to your household each day of the school year.

Breakfast will be served in the cafeteria until 7:40. Accommodations will be made for students arriving on late buses through “Grab and Go” options. Questions regarding Food Service should be directed to our cafeteria manager. Lunch will be served based on a schedule that best meets the needs of our learners throughout the day. A lunch period lasts a minimum of 20 minutes.

Bus & Bus Discipline Policy

Bus drivers have the responsibility to provide your family with safe transportation to and from school. Therefore, it is extremely important for students to maintain proper behavior that allows the bus driver to provide his/her service in a safe manner.

Students should follow the expectations explained in the Student Code of Conduct in order to show understanding of our “Go Owls!” PBIS expectations on the bus and at the bus stops. Transportation to and from school is a service delivered to your family free of charge and is an extra service.

In order to maintain safety on the bus, service will be denied to students who cause a danger to the safety of others by acting in ways that distract the bus driver or show disrespect to others or school property.

Choosing to participate in unacceptable behavior will result in the loss of bus service. From the time the students board the bus in the morning until they disembark in the afternoon, they will be considered “at school” and will be subject to all school rules and regulations. The bus is an extension of the school. The district's Progressive Discipline Plan will be followed.

Any time a student is suspended from the bus, it is the responsibility of the parent to provide transportation for the student to school and home from school. Please contact First Student with questions or concerns.

Students who have a reason to ride a bus other than their assigned bus must bring a note from a parent to the front office by the end of homeroom to be approved and receive a yellow permission slip. Students will not be allowed to ride a different bus unless this procedure is followed.

Bus Red Tag Program for CD-1st Grade Bus Riders

For the safety of our youngest students, Charleston County School District requires all CD, Kindergarten and 1st grade bus riders to have a unique tag number that must match with a parent or guardian's tag number at the designated bus stop. Students in these grade levels will not be allowed to get off the bus if a parent/guardian or sibling designee is not present at the bus stop with the matching tag number.

Please see important details about this safety procedure below:

- CD, Kindergarten, and 1st grade bus riders will have a tag with a number attached to their backpack.
- Parents/guardians will receive (4) parent tags. Any adult designated by the parent will need a tag in order to receive the child.
- Parents/guardians will be required to show the parent tag at the bus stop (must be visible to the bus driver).
- 2nd - 5th grade siblings may serve as the designee for CD, Kindergarten, and 1st grade students. A Red Tag Sibling Permission Form must be completed by the parent/guardian prior. These older siblings must also have a tag with the matching number on their backpack.

- Students who do not have a parent/guardian or sibling designee at the bus stop with their matching tag number will be returned to their home-based elementary school.
- If a student is returned to school, the parent/guardian will be contacted and required to pick up their student from school. Law enforcement may be contacted if the parent/guardian cannot be reached within a reasonable amount of time.

Bus Stops and Routes

Please use the Bus Stop Lookup Tool (located on the CCSD website) to locate your child's closest bus stop and bus route. Please use the First View app to check on the status of your child's school bus each day; it will provide alerts regarding late buses and other important information.

The First Student Transportation supervisor is in charge of bus routes, drivers, late buses, and school bus regulations. Students are allowed to ride a bus only if they live in the AOP bus zone, which can include Wadmalaw addresses upon special request.

Parents that have concerns regarding bus drivers, bus stops, or routes should contact First Student Bus Services at 843-823-3884. Additional information regarding bus stops, routes, and an online complaint/request form is available at <https://www.ccsdschools.com/transportation>.

The school and bus company are NOT responsible for incidents occurring at your bus stop or in your neighborhood.

Car Line

Cars are to enter the loop at the far entrance of the school (after you pass the school heading from Main Rd. on the left). Cars need to have car tags displayed in order to pick up students. If you do not have a tag, you will be asked to park and come into the front office and show your ID. Please be patient and understand that we must keep student safety a priority. Safety is always a primary concern at our school. If a child is being dropped off at school, parents MUST follow the proper car line procedures. **This includes following directional signs, not passing cars in the pick-up area, and displaying the proper car tag to pick up a child.** No smoking or loud music is permitted in the car line.

Daily Arrival/Daily Dismissal/Early Dismissal

Arrival: Adult supervision at Angel Oak Primary begins at 7:20 a.m. Students should not be dropped off before 7:20 a.m. due to the lack of adult supervision. For this reason, the school will not be responsible for students left unsupervised by parents before 7:20 a.m. Bus students will enter the building through the door closest to the bus loop. Car riders should be dropped off at the front entrance.

If your child arrives late to school after 7:45 a.m., the parent/guardian must walk the student into the school and sign the student in at the office. The student will be marked tardy (lawful or unlawful) depending upon the circumstances. Students who are tardy due to a late bus will be excused.

Morning Kaleidoscope: Angel Oak Primary does provide an early morning before-school program through Kaleidoscope to ensure supervision before school hours. It is the responsibility of the parent to enroll their child in the Kaleidoscope morning program if the parent plans to drop off their child before 7:20 a.m. The Kaleidoscope morning program begins at 7:00 a.m., and entrance is through the door by the bus loop.

Dismissal: Please notify the front office if there are any changes to dismissal for your child; all transportation changes are announced over the loudspeaker at the end of the school day. The office will not interrupt classes to deliver transportation messages directly to your child unless it is an emergency. **There will be no transportation change messages taken or delivered after 2:00 p.m.** Please make sure your child knows how to get home in the afternoon before leaving for school in the morning. Students will be dismissed beginning at 2:30 p.m. Parents are asked to arrive promptly to receive students. Any changes in the regular routine will require a note for the teacher and the bus driver.

Car riders will be dismissed through the front doors. Parents will form a line in front of the school and follow the directions of the staff on duty.

- **Car riders not picked up by 3:00 p.m. will call home and may be escorted to the Kaleidoscope Program (registration and fees apply).** Multiple late pickups will result in a parent meeting and conversations regarding neglectful behavior by the parent/guardian.
- **Due to our large number of students, limited staffing in the afternoon, limited parking, and numerous safety concerns, we will not be offering a walk-up option to pick up students at this time.** The only walk-ups that are approved are those who live within walking distance of the school and for students who have special needs services that require this type of pick-up.

Kaleidoscope After-School Extended Day Program operates Monday-Friday immediately after school until 6:00 p.m.

Early Dismissal: Students will only be dismissed from the office at the request of the student's parent or guardian. **We ask parents to arrive by 1:55 to request early dismissal in order to give us sufficient time to get your child to the office before regular dismissal begins. We will not allow students to be signed out after 2:00 p.m., as it is disruptive to our dismissal process and can be a safety hazard due to the number of cars and buses on campus.** *Parents will be asked to show identification during the sign-out procedure. This is for the safety of your child and is the school district's policy. Only the individuals listed in PowerSchool will be allowed to sign students out of school.*

Dangerous Weather

In case of sudden, extreme weather conditions (hurricane, flooding, tornado, etc.), school may be dismissed early. If inclement weather occurs during the morning hours, there may be a "two-hour delay" called for by the superintendent. Students should not report until 9:30. No breakfast will be served.

Dress Code

Students are welcome to continue to wear school uniforms; however, the uniform policy will not be enforced at Angel Oak Primary this year. Please see our PTA spirit wear store for new options and the district guidelines

from the Student Code of Conduct below.

The guidelines below will be enforced to maintain a positive learning environment for students:

Students are responsible for dressing in an appropriate manner at all times while on a school campus or while involved in a school or district-sponsored event/activity. Wearing appropriate attire promotes a positive influence on the school climate. In addition to clothing and shoes, student attire includes any jewelry, emblem, badge, symbol, sign, comment, or other items worn or displayed by an individual.

Guidelines for Attire

- Clothing is to be worn appropriately and in the manner for which it was designed.
- Pants shall be worn at waist level.
- Undergarments shall not be exposed at any time.
- Clothing shall not reveal bare skin between upper chest and mid-thigh.
- Shorts, skirts, and dresses shall be of adequate length to assure modesty.
- Hats shall not be worn in school (unless approved for spirit days, health or religious reasons).
- Shoes shall be worn at all times.

Prohibited Attire

- Clothing or other attire with words or images depicting or relating to tobacco, drugs, or alcohol
- Clothing or other attire displaying inflammatory, suggestive, racial, or other inappropriate writing, advertisement, or artwork
- Clothing or other attire displaying profanity, obscenity, violence, weapons, symbols of hate, or offensive content
- Clothing, jewelry, accessories, and/or manner of grooming which indicates or implies gang membership or affiliation
- Clothing or attire that is body contouring such as, but not limited to, leggings, jeggings, tights, or yoga pants worn without shirt or top that reaches fingertip length
- Loungewear, pajamas, and bedroom slippers (unless approved for a spirit day)
- Shirts, tops, or dresses that are backless, strapless, halter-style, cut-out, bare-shouldered, or spaghetti straps
- Extreme clothing or other attire that would interfere with the learning process, cause a disruption of the educational environment, or be a health or safety hazard

Students found to be in violation of the dress code will be subject to corrective action in accordance with our Progressive Discipline Plan.

Emergencies

Emergency contacts will be available for completion in the PowerSchool portal. Teachers may also ask for additional information as needed. Updates will be requested throughout the year. Please provide the school with a working number where you can be contacted, as well as the number for the family physician in case of emergency. This information needs to be kept current. **If you cannot be reached during the day, please list at least two additional adults with a working phone in your emergency contacts who can be responsible for your child’s emergency care.**

Expectations for Behavior

Angel Oak Primary has established school-wide expectations for the behavior of students based on our PBIS and Second Step plan. Students are given ongoing instruction concerning routines and procedures to encourage positive behavior and establish clear expectations. When students experience difficulties with meeting these expectations, the teacher will follow a pre-established plan to help the student work through the problem. Our intent is to be positive, proactive, and preventative in our system of management. Your teacher will share these class expectations with you and your child at the beginning of the school year. You will be notified and expected to pick up your child if a major disruption occurs and we are unable to de-escalate the situation. We appreciate parents working with us and supporting this approach as we strive to make each classroom and our school a safe and productive educational environment for every student!

Students are asked to follow our PBIS expectations and to be “Outstanding OWLS”. Our PBIS expectations are:

- Outstanding Attitude
- Work Hard in School
- Love of Learning
- Stay Safe

Students have the opportunity to earn tickets when following our school expectations. As a school, we work towards a schoolwide celebration.

Grading Policy / Report Cards

Report cards are sent home every 9 weeks, with interim progress reports sent home in between. Students will receive 4 report cards and 4 interim progress reports each year. Students with individual education plans (IEPs) will also receive a progress report from their child’s special education case manager every 4.5 weeks.

CD, Kindergarten, and First Grade Grading Scales	
Kindergarten and First Grade	
Academic and Related Arts Scale	
Exceeding the grade level standard. Producing quality work consistently.	4

Meeting the grade level standard and producing quality work.	3
Approaching the grade-level standard. Producing required work with teacher direction and assistance.	2
Not yet meeting the grade-level standard. Not producing required work.	1
Not assessed at this time	NA
Grade reflects the extent to which the standards have been taught at this time.	

CD	
Performance Scale	
Consistent demonstration	C
Emerging demonstration	E
Needs Improvement	N
Not Assessed	NA

Guest Policy

All guests to the school need to alert the teacher (24 hours' notice) and must stop in the front office upon arrival at AOPS to receive a Visitor's Pass. Please bring photo identification to the school with you. Please remember, no parent conferences can be held during instructional time periods. Contact your child's teacher ahead of time to schedule an appointment.

Gum

Students are not allowed to chew gum at school, on school grounds, or on the school bus. Please have your child leave all gum at home.

Head Lice

If a student is found to have live head lice at school, the parent of the child will be notified directly by the school nurse with the procedures to follow for treatment. If a student has nits (eggs) at school, the parent will be contacted and the student must be treated before returning to school the next day. If a student is absent from school because of lice, this is not considered an excused absence according to the Attendance Regulations of South Carolina. Please take care of lice appropriately to prevent the spread of lice from one person to another.

Homework

Homework given at Angel Oak Primary is at the discretion of each teacher and will be minimal, purposeful, age-appropriate, engaging, and connected to curriculum standards. You will be asked to be an active participant in learning with your child at home.

Students are encouraged to read every night!

Language Support for Families

Angel Oak Primary wants all families to be able to communicate with our school and have access to the information they need to support their child's education. A bilingual secretary who is fluent in English and Spanish is available in the front office daily and works closely with the district's OTIS (Office of Translation and Interpretation Services) Department to support families. Families can call the front office for assistance or send a text or WhatsApp message to (843) 301-8929. To support communication with our families, teachers use ClassDojo, which automatically translates messages into families' preferred language and translates parent messages into English for teachers. In addition, teachers and staff members have access to LanguageLine, an interpretation service that provides support in a wide range of languages beyond Spanish.

Legal Issues

If a child reports that there is any type of abuse taking place, or if there are any unexplained injuries, liability requires that we report the incident to authorities. The school is a mandated reporting agency, even if there is only a suspicion.

Library Books

Students have opportunities to check out library books from our wonderful school library collection throughout the year. If a student loses a library book and is unable to locate it, the family is responsible for the cost of replacing the lost book. Our librarian will provide multiple reminders to students and families to return books that are overdue.

Medication

Parents or a responsible adult must check in any medication (whether over-the-counter or prescription) with the nurse or front office. Please do not send any medications with the student to school. The nurse must have a signed permission form from the parent and the physician before any medicine can be given to the student. These forms are available from the nurse. The instructions on the medicine will be followed. See our school nurse for further information about over-the-counter medications, if applicable.

Media

We want to tell our story and share all of the wonderful learning that is happening at Angel Oak with the community! Students may appear in photos, video, social media posts, in the newspaper and/or in the yearbook. As part of the registration process this school year, you were asked to complete a media release form so that we can follow your wishes when it comes to your child's image being shared. If you would like to change your preferences at any time, please contact the front office.

Nurse/Clinic

Students who are sick will be sent or escorted to the clinic with a pass to see the nurse. Any student who is vomiting, has diarrhea or is running a temperature of 100° or more is required to go home. The student cannot return to school until he/she has been fever-free for a 24-hour period without the use of fever-reducing medications. The student must have had no vomiting or diarrhea episodes in the last 24 hours prior to returning to school. Students who are sick in the morning before school should stay home. Parents will be notified if students are hurt or injured in any way during the school day.

Parent/Teacher Communication

Teachers will keep parents informed of their child's progress through the use of a Weekly Folder and other communication platforms (Class Dojo, etc.). Please review the folder paperwork, sign the appropriate sheet, and return it as soon as possible so the teacher can begin preparing for the next week.

It is expected that parents meet with their child's teacher at family data conference time and at other scheduled times throughout the year. If a student is in danger of being retained in his/her present grade, the parents will be called in for a conference with the student's teacher.

If a parent wishes to speak with a teacher about academic or behavior problems, the parent is to contact the teacher to plan a conference. This can be done via phone or email. *Please talk with the teacher directly before asking to meet with the principal or administration.* Please come to the office immediately upon arrival in the building to sign in and receive a Visitor's Pass.

Parent Teacher Association (PTA)

We need the Power of Parent Volunteers. Shrinking budgets, Curriculum cuts, increasing class sizes, and government mandates. The challenges of delivering quality education are daunting, to say the least. There is help. And the good news is it's the PTA.

PTAs Benefit Everyone. PTA addresses issues that are important to public school administrators and parents. We fight for the same thing—full funding, quality teachers, and capabilities for schools to thrive. Membership is open to everyone!

Here are just some of the PTA's benefits:

- **Leverage Volunteer Power.** PTA organizes hard-working and dedicated volunteers. Parents are ready and willing to help implement school improvement programs.
- **Improve Communication.** Frequently, one of a PTA's responsibilities is coordinating the production of newsletters and information fliers, keeping the entire school community informed of current events, issues, and accomplishments. In addition, regularly scheduled meetings are an opportunity to share information with members.
- **See Measurable Results.** More than 85 rigorous academic research studies conducted over 30 years of research prove that kids do better when parents are involved. Grades are higher. Test scores improve. Attendance increases.
- **Discover More Dollars.** Local PTAs are self-funding. By inviting the entire school's parent community to join, the PTA generates membership fees to pay for programs. Local PTAs often organize fundraising events. Proceeds support school-based programs, building maintenance and improvements, and educational and social events.
- **Boost Children's Well-Being.** PTAs focus on what students need to be successful in their learning, including nutrition, health, and well-being. Whether it is school safety, physical fitness, or a healthy breakfast, PTA works with school administrators to ensure that children are prepared to succeed.
- **Enjoy Informed Parents.** Perhaps one of the most important benefits is that involved parents understand the challenges schools face and become part of the solution. They support improving education, both locally and legislatively. By developing a closer relationship with parents, student achievement improves, and the school develops a positive reputation in the community.

This group of parents is vital to our school! PTA meetings will be held throughout the year. Reminders will be sent home with students in the Weekly Folder. *Please be a part of our exciting quest to make "AOPS the BEST"!*

Our PTA officers can be reached at the following email address: aop.joies.pta@gmail.com

Registration

All students who attend our school must complete an online registration form, available through ccsdschools.com. A birth certificate, South Carolina immunization record, and proof of residency are required. If a child attended another school previously, our school will request records from the student's previous school. Please see the data specialist in the front office for more details.

Tardy Policy

Students must be on time to reduce classroom disruptions. Any student (except bus riders) that arrive after 7:45 a.m. for any reason must be **signed in by a parent. Parents of tardy students must come into the office with their child(ren) to sign them in.** Bus students will not be marked tardy if the reason for their tardiness is due to a bus problem.

Students who are absent three times will receive a letter via email. After 5 times, parents will be asked to have a parent conference with an administrator or family advocate.

Telephone

Pupils are not allowed to use the school's phone except in emergency situations. Messages for students will be taken in the office for emergency situations only. Please make all arrangements for transportation and after-school care prior to sending your child to school. If there is an emergency and transportation needs to be changed during the school day, please call the front office. Please do not only rely on your child's teacher to communicate this information during the school day, as teachers' primary focus during the school day is on instruction, which means they may not receive emails or ClassDojo messages quickly, or they may be out of the building and unable to check their messages.

UNDER SOUTH CAROLINA LAW, STUDENT CELL PHONES AND SMART WATCHES ARE TO BE STORED AWAY DURING THE SCHOOL DAY AND TURNED OFF.

If a student has a cell phone or smart watch and it is lost, stolen, or damaged, the school will accept no responsibility for the phone or smart watch. If a student takes the cell phone or smart watch out during the school day/or it is not turned off, the cell phone or smart watch will be held by the administration and returned only to the parent.

Technology/Internet Guidelines

Technology/internet guidelines are provided in PowerSchool during registration. The parent/guardian must sign these guidelines during the registration process. All CCSD schools provide 1:1 devices for students in Kindergarten and 1st grade. AOP has an iPad for each student in these grade levels, which are stored in classrooms and utilized for instruction when needed.

Textbooks

Students are assigned a workbook for some subject areas. Students are allowed to write in the consumable workbooks, and workbooks may be taken home. Students are responsible for all workbooks issued to them. If a workbook is damaged or lost, a replacement may be purchased at the school.

Toys and Electronics

Students must leave all toys and electronics at home. All confiscated items will be given to the principal or assistant principal and will only be released to a parent. The school is not responsible for the loss or theft of any toy or electronic item brought to school. Please refer to CCSD's Progressive Discipline Plan for more information, which is available at ccsdschools.com.

Transfers/Withdrawals

When a student transfers from Angel Oak Primary, parents are asked to give the school at least 24 hours' notice. Records will be forwarded to the new school upon request. We cannot give permanent records directly to parents for transport to the new school, but parents will be provided with a copy upon request.

Vandalism/Defacing School Property

Vandalism by defacing school property can be a reason for suspension. Examples of vandalism include (but are not limited to) writing on any of the surfaces in the school with anything, breaking school property, littering, etc. Parents may be required to pay to repair or replace any item that is damaged or destroyed. This includes damaging property on school buses.

Volunteers

Parents are encouraged to come to school to help in the classroom and chaperone field trips as long as safety/health protocol allows. There are also several committees that need parent input and participation. Parents have the opportunity to serve on the School Improvement Committee and to be an active member of the PTA. Please complete the **Volunteer Form** on the district website to volunteer at our school.

Water Bottles

Students are encouraged to bring water bottles to school each day. Water bottles should be labeled with the student's first and last name. Only water is allowed in water bottles. There are water bottle filling stations and water fountains located around the school building.

Angel Oak Primary 2026-27

By signing below, I certify that I have reviewed and understand the policies outlined in the 2026-27 Angel Oak Primary Student-Family Handbook for school and home. I agree to abide by these policies during the 2026-27 school year.
