

Al-Amin Machira, Class of 2026

"MCI makes you feel like you're home, they make you feel like you're family and support you in whatever you do."

I love MCI because the environment is very great, people are so friendly here. The academic experience at MCI is defined by the teachers, the teachers here teach very well. I really like the art and design classes because you can express your own emotion and views by putting yourself out there.The first night I arrived I thought it would be just me alone and no one would be there for me, but I really like my dorm parents and they've helped me a lot. Winter Carnival really stood out to me because when I first arrived, everyone was cheering for me and really involved me to try things, and that really touched me.

Favorite Class: Art & Design
Activities: Basketball, Soccer, National Honor Society
Favorite Memory: Winter Carnival

"For my friends back home, I would tell them to come and really see this place and how they treat you."
